LOGO SIGNING

Iowa is one of the few states that participate in a logo signing program to aide motorists in identifying services along the Interstate System. To qualify, participating businesses must be within one mile of the exit for gas, three miles for food or lodging and five miles for camping. As you travel look for this LOGO signing.

MILEAGE CHART INSTRUCTIONS

Follow down the vertical column under the name which is first in alphabetical order until it intersects the horizontal column opposite the name. This figure is the distance between the two cities. For example, the distance between Ames and Davenport is 174 miles.

MILEPOSTS

Mileposts, installed at one-mile intervals along Iowa's rural primary highways, aid motorists and traffic officers in accurately locating and reporting accidents or emergencies. The markers may also be used by motorists for trip reference. Iowa's Interstate interchanges are now referenced on the map by these mileposts. The milepost numbers begin at the south and west state line or route origin
