
Bidding Mobilization for Watering

Design Manual
Chapter 1
General Information
Originally Issued: 03-31-16

Article [2601.05, A, 13](#) of the Standard Specifications provides information regarding the **Mobilization for Watering** bid item. Projects identified as erosion control or landscaping should not include this bid item.

Quantities of Mobilization for Watering on a project are as follows:

- 3 Mobilizations: If the project includes Special Ditch Control, Turf Reinforcement Mat, Slope Protection, and/or Transition Mat.
- 5 Mobilizations: If the project includes Sodding.
