

GEOPAK Survey TOPO Model Links

**Design Manual
Chapter 40
Design Survey
Specifications**

Originally Issued: 12-30-11

MicroStation hyperlinks will be placed in the TOPO model, linking all Photos, Pink Sheets, and the Station and Offset reports to the associated "graphic element objects". These links will be placed by the Office of Design personnel after the field information has been accepted. For information on MicroStation hyperlinks, see Design Manual section [21C-53](#).
