Commissioner Maher made a motion to approve the minutes as written. Commissioner Yanney seconded the motion. Motion passed unanimously.

### Commission Comments

Commissioner Juckette; I would first of all, like the thing, all the people in Iowa that have a notation put on their driver's license - organ donor. My brother had his first kidney transplant at the age of 21. That kidney lasted almost 20 years, which was actually almost a record. He was on dialysis for then an additional seven years before the second kidney became available. Both of those kidneys came from accident victims. It's a huge process to get all that organized. So, I do want to thank everyone for having that noted on their license and if they don't, I would strongly urge you to do so.

The other thing is, being a person that has horses, I'm very familiar with horses getting out on the road. Well, we had a unique situation, September 28, on the interstate where a race horse got loose at Prairie Meadows and unfortunately didn't know which ramp to go on to be in the right lane. The horse was on the wrong ramp and headed west on the eastbound, and fortunately no one was injured including the horse, but we want to thank whoever she might be, the woman who literally stopped her car, and got out of the car, had to be pretty horse savvy, grabbed the horse, turned it around and walked it back to the barns on the shoulder. There was not really a lot of traffic delays during all of this. Thankfully the horse is OK. The DOT cameras that had caught this, you can watch it on Youtube or KCCI website.

### DOT Comments

Director Lowe; Thank you, as always, I always want to start with thank you to all of you for your time, attention, travel, all the work that you do before and after and in between. So thank you again for that and all of our staff that works so hard to prepare for and participate at every meeting. I appreciate that. I did want to follow up on your organ donor comments. I know they were, there were probably spurred to some extent by the director's report I put up for this month just talking about our work with the Iowa Donor Network and celebrating their 25th year anniversary.

COMMISSION ORDER

Division/Bureau/Office Motor Vehicle Division Order No. MV-2020-16  
 Submitted by Melissa Spiegel Phone No. 515-237-3010 Meeting Date October 8, 2019  
 Title Administrative Rules — 761 IAC 400, Vehicle Registration, and 761 IAC 615, Sanctions

**DISCUSSION/BACKGROUND:**

The proposed rule making implements 2019 Iowa Acts, Senate File 304, section 3, which repealed Iowa Code sections 261.121 through 261.127. The repeal of those Iowa Code sections eliminated the Iowa College Student Aid Commission’s authority to issue a certificate of noncompliance which triggered a license suspension of a person’s driver’s license or vehicle registration privileges for failure to satisfy student debt. The Iowa College Student Aid Commission has not exercised the option to trigger a license or vehicle registration suspension for failure to satisfy student debt since 2012.

A complete summary explaining the proposed amendments is included in the attached Notice of Intended Action.

The public comment period ended September 17. The department did not receive any public comments or requests for oral presentations.

**PROPOSAL/ACTION RECOMMENDATION:**

It is recommended that the Commission approve the rule amendments included in the attached Notice of Intended Action.

Melissa Spiegel, Motor Vehicle Division; I ask for the commission's approval for administrative rule changes relating to chapter 761 Vehicle Registration and Certificate of Title and Chapter 615 Sanctions. Commissioner Yanney made a motion to approve the rules amendments included in the attached Notice of Intended Action. Commissioner Fehrman seconded the motion. The motion passed unanimously.
