Due to inclement weather, the January Iowa Transportation Commission meeting was held virtually. Stuart Anderson, Director of the Transportation Development Division began the meeting by reading the following statement:

The members of the Iowa Transportation Commission are holding this session by electronic means pursuant to the provisions of the Iowa Open Meetings Law, Section 21.8, Code of Iowa. As a result of weather conditions across the state today and in the interest of safety for the Commission and the public, it is impractical for the Iowa Transportation Commission to meet in person. Therefore, the meeting is being held by conference call originating from the Iowa DOT complex in Ames. It is open to the public and those in attendance can hear the proceedings or the public can call in from a remote location and join by conference call. Public notice of the meeting has been issued in accordance with Iowa Code Section 21.4.

Mr. Anderson then introduced Commission Chair, Charese Yanney, to begin the meeting.

Commissioner Yanney called the meeting to order. She began by asking for approval of the minutes of the December 12, 2023 Commission meeting.

Commissioner Rielly moved. Commissioner Juckette seconded a motion to approve. The vote to approve was unanimous.

**Commission Comments:** 

Commissioner Yanney thanked the Iowa DOT staff for all their hard work and showed appreciation to Director Scott Marler for his presence at the Las Vegas Electronics Convention.

#### DOT Comments:

Director Scott Marler expressed how proud he was of the Iowa DOT staff and stated that the Iowa DOT staff are a very accomplished and professional group. He focused on how Mobile ID is an example of how we continue to innovate in Iowa and really try to deliver enhanced customer service for those that we serve each and every day. Director Marler concluded by thanking the Commission and encouraging everyone to drive safe during this winter storm.

Title Transfer of Jurisdiction of Frontage Roadway South of U.S. 20 in Dubuque						

DISCUSSION/BACKGROUND:

District 6 has negotiated the transfer of a frontage road, located south of U.S. 20, to the city of Dubuque. Frontage roadway segment totaling approximately 700 feet will be transferred to the City (see attached map). Right of Way will be included in the transfer.

The roadway segment will be transferred in its present condition. This is a mutual benefit transfer with no monetary exchange.

The State will transfer the Right of Way for the roadway segment to the City by quit-claim deed.

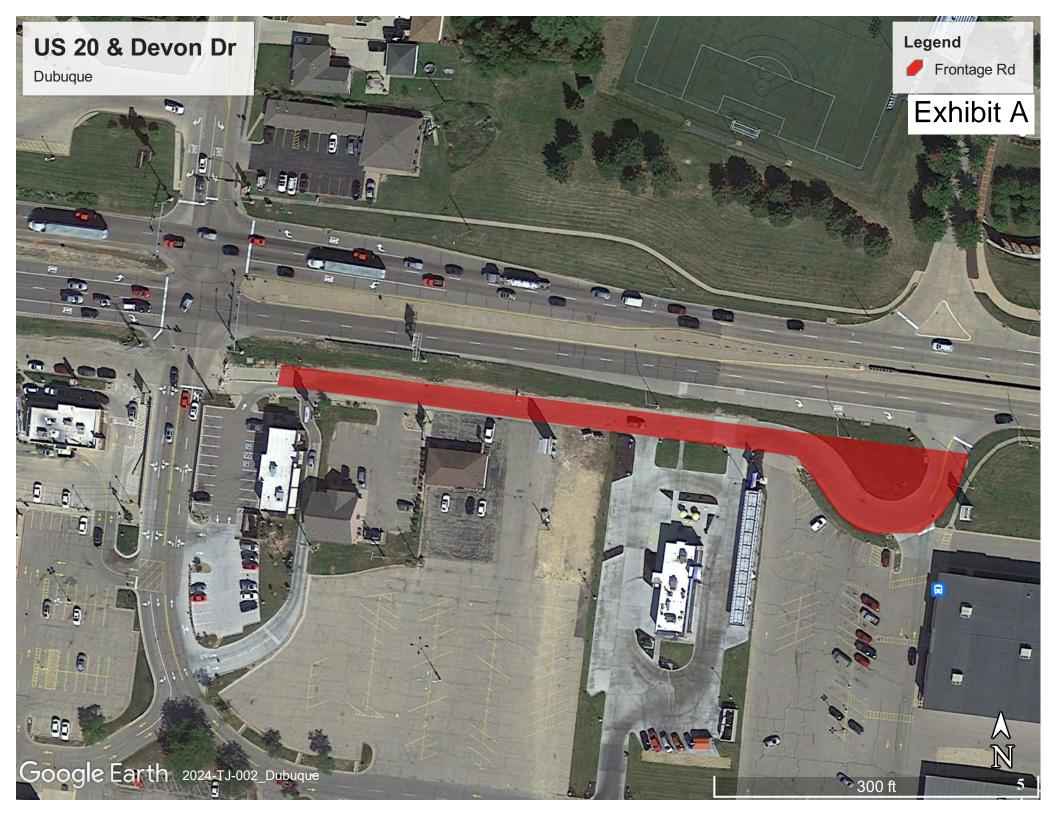

The City shall assume jurisdiction of the roadway segment following the execution of the Transfer of Jurisdiction Agreement and upon written notification to the City of the time and date of the State's intention to transfer.

When the transfer becomes effective, the City will be responsible for future signing and maintenance of the roadway segment.

#### PROPOSAL/ACTION RECOMMENDATION:

It is recommended the Commission approve the transfer of jurisdiction of the frontage roadway south of U.S. 20 with Dubuque.

TD-2024-30 Deb Arp - Systems Planning Bureau

Iowa's Clean Air Attainment Program was created in 1994 and is modeled after the Federal Congestion Mitigation and Air Quality Improvement Program established in 1991. \$4 million in CMAQ funding is set aside annually for the ICAAP program. This is an application based program that awards funds to projects with the highest potential for reducing transportation related congestion and air pollution. Project priorities include reducing vehicle miles of travel and single occupant vehicle travel. Priorities also include improving vehicle traffic flow or other projects that improve air quality or reduce traffic congestion. Projects are also evaluated based on their cost effectiveness. In this round, we received six applications requesting over \$6 million in funding. Last month, we shared with you our recommendation to fund four projects with \$4 million.

We recommend you approve the Iowa's Clean Air Attainment Program Funding Recommendations as listed on the Commission Order.

Commissioner Stutsman moved. Commissioner Rielly seconded a motion to approve. The vote to approve was unanimous.

TD-2024-31 Deb Arp - Systems Planning Bureau

The Federal Recreational Trails Program was created in 1991. Applications are received from mostly government agencies to support the development and maintenance of recreational trails and trail related facilities for both motorized and non-motorized trail users. Projects eligible for the program include maintenance and restoration of existing trails, purchase of trail construction and maintenance equipment, construction of new trails and trail amenities, and acquisition of land for trails. In this round, we received 15 applications requesting almost \$9 million in funding. Last month, we shared with you our recommendation to fund five projects with \$1,317,399.

We recommend you approve the Federal Recreational Trails Program Recommendations as listed on the Commission Order.

Commissioner Fehrman moved. Commissioner Juckette seconded a motion to approve. The vote to approve was unanimous.

TD-2024-32 Brent Paulsen - Modal Transportation Bureau

In December we presented Public Transit Program Funding Recommendations, which included the awards for the Federal Fiscal Year (FFY) 2023 Transit Program, Federal Fiscal Year 2022 Discretionary Funding and Federal Fiscal Year 2023 Discretionary Funding. These awards will be used to purchase 145 transit vehicles and the construction of four transit facilities. The specific recommendations are listed on the attachment to the Commission Order.

It is recommended that Commission approve the Public Transit Funding Recommendation as listed on the attachment.

Commissioner Gaesser moved. Commissioner Arnold seconded a motion to approve. The vote to approve was unanimous.

TD-2024-33 Kristin Haar - Modal Transportation Bureau

Annually, Iowa DOT sets aside State Transit Assistance Funding for Special Projects for Statewide or Coordinated Public Transit Projects. In December, we presented to you both Competitive Projects for Fiscal Year 2025 and Iowa DOT Sponsored Projects for Fiscal Year 2024 and 2025.

We recommend the projects for approval that are listed on the Commission Order.

Commissioner Stutsman moved. Commissioner Rielly seconded a motion to approve. The vote to approve was unanimous.
