

Instructional Memorandums to Local Public Agencies Table of Contents

Some I.M.s are written either to counties or cities; others are written to both counties and cities. The intended audience is indicated in the "To:" field of the I.M. as well as the Table of Contents below. Many of the I.M.s are referenced by the Federal-aid Project Development Guide (Federal-aid Guide). These I.M.s are marked with an asterisk (*). For more information about the relationship between the Federal-aid Guide, the Non-Federal-aid Guide, and I.M.s, refer to the Guide and I.M.s web page. The funding type is listed in the Table of Contents below, and will be labeled for Federal-aid (F.A.), Federal-aid Swap (Swap), State-aid (State), Farm-to-Market (F.M.) or Local; if the I.M. applies to all types of funding, "All" will be used as the Funding type.

Note: The I.M.s have been transitioned into a new numbering system; please see the I.M. Renumbering Conversion Chart. Some of the I.M.s are not yet complete, as shown in light grey text. Most of the links to the Code of Federal Regulations (CFR) and the United States Code (USC) have been removed from the individual I.M.s below. To get to the general CFR and USC, you can click on the links above and search each respective page.
