

# Public Input Requested

## for proposed bridge replacement on Iowa 12 in Plymouth County

The Iowa Department of Transportation is requesting public input for a proposed bridge replacement on Iowa 12 over Indian Creek, 4 miles north of Plymouth County Road C-16. The project includes replacing the existing bridge with a 213-foot 10-inch x 40-inch three span pretensioned prestressed concrete beam bridge. The existing grade will be raised one foot and bridge approaches and guardrails will be replaced.

**Through traffic on Iowa 12 would be detoured during construction using Plymouth County Roads C-12, K-18, and C-16. For more information, see the website below.**

The project is scheduled to take place during 2021.

Comments must be received by April 30, 2019, to be considered.
