

## Public Input Requested

on the proposed bridge project on U.S. 18  
in O'Brien County

The Iowa Department of Transportation is requesting public input on the proposed bridge project on U.S. 18 over Waterman Creek, 1.3 miles west of O'Brien County Road M-12. The proposed project provides for removing the existing bridge and replacing it with a standard three span pretensioned prestressed concrete beam bridge that is 201' 4" x 44'. New bridge approaches will be constructed, guardrails installed, and shoulders paved.

**Through traffic on U.S. 18 would be detoured during construction using Vine Avenue/O'Brien County Road M-12, 360th St./O'Brien County Rd B-24, and U.S. 59. For more information, see the website listed below.**

Comments must be received by Aug. 15, 2018, to be considered.
