Sioux County Regional Airport

Workers pour cement for a hangar at the Sioux County Regional Airport on July 17. Once finished, the airport, located near the intersection of U.S. Highway 75 and Iowa Highway 10 near Maurice, Iowa, will have room to house 35 planes, more than current airports in Orange City and Sioux Center combined.

Harold Schiebout, Sioux County Regional Airport Board chairman, stands in the terminal at the Sioux County Regional Airport, which is scheduled to open in November near Maurice, Iowa. Economic development directors in nearby Orange City and Sioux Center hope the airport, which will have a longer runway and more amenities than the cities' current airports, will lead to more business development in the area.
