IOWA DEPARTMENT OF TRANSPORTATION

To Office       Bridges and Structures          Date       March 1, 2011
Attention       All Employees                     Ref No.    521.1
From            Gary Novey                       
Office          Bridges and Structures
Subject         Release of Standard 1021W (Weathered Steel Welding Details).
                 (CADD M0204)

Electronic copies are available in the following Office of Bridges and Structures standard directory W:\Highway\Bridge\Standards\Bridges and on the Internet:

http://www.iowadot.gov/bridge/standard.htm

This is the release of the Standard Sheet 1021W which is to be used for Weathered Steel Welding details. This standard is similar to Standard Sheet 1021 except the appropriate steel members are shown as weathered steel. Note the Flange Deflector plus the attachment Bolts are still non-weathered structural steel.

For any questions, please check with Stuart Nielsen or Thayne Sorenson.
