

IOWA DEPARTMENT OF TRANSPORTATION

To Office Bridges and Structures Date April 25, 2007
Attention All Employees Ref No. 521.1
From Gary Novey
Office Bridges and Structures
Subject Method's Memo No. 167 (CADD note E54/M54 for 404 permits)
Void notes E54A/M54A and E54B/M54B

The following CADD note E54/M54 has been released and should be used in the General Notes for all projects let after July 1, 2007, when 404 permits are required. CADD notes E54A/M54A and E54B/M54B have been voided from the system.

E54/M54: 404 Permit

THIS PROJECT SHALL BE CONSTRUCTED IN ACCORDANCE WITH THE REQUIREMENTS OF U.S. ARMY CORPS OF ENGINEERS (Insert 'NATIONWIDE PERMIT ??', 'REGIONAL PERMIT 7', or 'INDIVIDUAL PERMIT' as appropriate), PERMIT NO. (Insert the corps' project-specific permit number, if applicable). A COPY OF THIS PERMIT IS AVAILABLE FROM THE IOWA DOT OFFICE OF CONTRACTS UPON REQUEST. THE U.S. ARMY CORPS OF ENGINEERS RESERVES THE RIGHT TO VISIT THE SITE WITHOUT PRIOR NOTICE.

The Office of Location and Environment will be getting the pertinent permit information for the 404 permits and sending it to me for our office. I will be distributing to the section leaders including the Consultant Coordination section leader who are involved in the projects.

The offices will be working toward changing the project scheduling system (PSS) so that DOT personnel can see the 404 permit information directly for a project. This should assist in getting the permit information in a timely fashion.

If you have any questions please check with me.
