Iowa DOT Training Opportunities and CIT Funding for Contractors

Iowa DOT Training Opportunities and CIT Funding for Contractors

Amidst a period where projects may have experienced a slowdown, it is opportune to explore the training opportunities provided by the Iowa Department of Transportation (DOT). The Iowa DOT Technical Training and Certification Program offers a variety of training formats, accommodating both in-person and virtual sessions.

Construction in Training (CIT) funding is available for DBE companies, providing reimbursement for their training endeavors. It's worth mentioning that most DOT classes fall under the CIT funding umbrella.

Training Opportunity for Prime Contractors, Subcontractors, and Disadvantaged Business Enterprises on Bidding and Price Quotes at [Bidx.com](#)®

If you are actively seeking and quoting Iowa DOT contract opportunities, I recommend you attend the free in-person training event on February 29th in Ames.

Bidx.com has released several **new features** during the past 24 months. They have made major enhancements to the overall user experience (a

1. **Submit the “CIT Funds Pre-Approval Request Form” to Danny Wagener**, Iowa DOT Compliance Officer: Wagener@iowadot.us

It **MUST** be pre-approved to obtain CIT Funds reimbursement.

*Note: Any **changes** to the date, type of training, and/or cost of an already pre-approved, then **needs to be re-communicated and pre-approved** with the DOT staff administering the CIT Program prior to the training taking place. If training is not pre-approved prior to it taking place, then the cost will NOT be reimbursable with CIT Funds.*

2. **Within 30 days of completion of the approved CIT course, submit the attached “CIT Funds Invoice Tracking Form” to Danny Wagener along with the following items in a single PDF file...**

Navigating Davis Bacon Webinar

Contractors often find themselves grappling with the complexities of Davis-Bacon regulations, making it crucial to gain a thorough understanding of application, compliance, and audit processes. Join us on February 8 for an insightful webinar led by Matt Miller, the E-Construction Program Administrator at the Iowa DOT.

Don't miss out on this chance to refine your compliance practices, gain a competitive edge, and unlock the full potential of your DBE designation.
