Commissioner Boswell made a motion to approve the minutes as written. Commissioner Rose seconded the motion. Commissioner Putney, absent; remaining Commissioners voted aye.

Commission Comments

Commissioner Rose said it was a pleasure to have DOT staff at the Christmas party and appreciated their work. He also acknowledged Governor Branstad's nomination as Ambassador to China.

Commissioner Boswell also acknowledged the hard work of DOT staff and specifically the work of Jim Armstrong for the work he's done on I-35 in southern Iowa and with fencing issues.

Commissioner Miles welcomed Mark Lowe as our temporary director. She said the Commission supports him and knows him to be an upstanding and fine person to work for and with. Commissioner Miles said she Paul Trombino did great things and we will miss him but we wish him well in his future endeavors.

Commissioner Yanney stated she agreed with all the other Commission comments and that she's been around state government a long time and she thinks this department is the best she's worked with in all those years. She said Mark's done a great job, and she's always appreciated the work he has done for us as a Commission and getting right back to us if he doesn't have the answer at hand. She told Mark that the Commission is glad to have him as our interim and she knows he'll do a great job.

DOT Comments

Mark Lowe thanked the Commission for all the nice comments on behalf of the staff and for the nice gathering this morning. Mark also echoed their comments about Paul, Paul is such an important part of what we did here and we, of course, wish him well, too. Mark said it is important to remember that an organization is always just a group of people on a common mission; so the true strength, capacity, and resiliency of an organization comes from our staff and the way they carry things on. People will change in leadership positions, but the organization continues to function well because of that. Mark closed by saying it is important to remember that you as Commissioners are part of that organization and part of that mission and we thank you for your time, energy, and talent that you bring to it.

COMMISSION ORDER

Division/Bureau/Office Operations and Finance Division Order No. D-2017-32
 Submitted by Lee Wilkinson Phone No. 515-239-1340 Meeting Date December 13, 2016
 Title Administrative Rules – 761 IAC 1, 10, 11, 12, 112, and 115

DISCUSSION/BACKGROUND:

The department reviewed and updated the following rule chapters.

- 761 IAC 1, Organization of the Department of Transportation
- 761 IAC 10, Administrative Rules
- 761 IAC 11, Waiver of Rules
- 761 IAC 12, Declaratory Orders
- 761 IAC 112, Primary Road Access Control
- 761 IAC 115, Utility Accommodation

Proposed changes to 761 IAC 1

These reflect current language within Iowa Code 307 and 307A and current department operation. This rulemaking also updates the mission of the Iowa DOT, adds the department’s website, and updates the chapter’s implementation sentence.

Proposed changes within 761 IAC 10, 11, 12, 112, and 115

These changes remove references to the Office of Policy and Legislative Services since this is no longer an office within the department.

The public comment period ended on November 15 and no comments were received.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended the Commission approve the attached rule amendments.

D-2017-32

Lee Wilkinson, Operations and Finance Division; The department has review our Administrative Rule Chapters 1 on organization of the department; chapter 10 on administrative rules; 11 on waivers; 12 on declaratory orders; 112 on primary road access; and 115 on utility accommodation.

The changes to Chapter 1 reflect current language within Iowa Code 307 and 307A and current department operation. This rulemaking also reflects the Department's mission, as well as, including the website, and update to our implementation sentence.

The changes for chapters 10, 11, 12, 112, and 115 simply reflect restructuring within the division of Operations and Finance; which was to eliminate the Office of Policy and Legislative Services within the division.

The public comment period ended on November 15 and no comments were received. With that, I would recommend adoption of these rule changes.

Mark Lowe, Motor Vehicle Division; As discussed at the workshop, the changes in chapter 400 are; a very simple change in the definition of motorized bicycle to change it from a vehicle capable of a speed not exceeding 30 mph to one not exceeding 39 mph. That is just to match the statutory change in the definition made by the legislature. As well as some updates to the name of the office that now handles of those rules, reflecting the combination of Vehicle Services and Motor Carrier Services and the combined office that would recommend the passage of those rules.

Commissioner Boswell made a motion to approve the rule amendments. Commissioner Miles seconded the motion. Commissioner Putney, absent; remaining Commissioners voted aye.

Rule-making actions:

ITEM 1. Amend subrule 400.58(1) as follows:

400.58(1) *Maximum speed.* If the department has reasonable cause to believe that a particular vehicle or model is capable of speeds exceeding ~~30~~ 39 miles per hour, the department may conduct independent tests to determine the maximum speed of the vehicle or model. If the department determines that the maximum speed of the particular vehicle or model exceeds ~~30~~ 39 miles per hour, the vehicle or model shall not be registered as a motorized bicycle.

ITEM 2. Amend subrule 410.1(3) as follows:

COMMISSION ORDER**

Division/Bureau/Office Office of Driver Services, MVD Order No. MV-2017-34
 Submitted by Melissa Spiegel Phone No. 515-237-3010 Meeting Date December 13, 2016
 Title Administrative Rules – 761 IAC 605, License issuance; 761 IAC 630, Nonoperator’s identification

DISCUSSION/BACKGROUND:

The proposed rule amendments make changes to comply with 2016 Iowa Acts, Senate File 2187, section 1, which amended Iowa Code 321.189 to streamline the process of obtaining a designation of “Veteran” on a driver’s license or nonoperator’s identification card. The changes to Iowa law allow the department to review a DD Form 214 (Certificate of Release or Discharge from Active Duty from the Department of Defense) to determine eligibility for the designation.

The rule amendments align with the changes to Iowa law to allow a licensee or cardholder to submit DD Form 214 or Iowa Department of Transportation Form 432035 directly to any department driver’s license station or county treasurer driver’s license issuance site in order to obtain the veteran designation. For members of the National Guard and reserve forces, the DD Form 214 must indicate that the individual was honorably discharged after serving a minimum aggregate (total) of 90 days of active duty for purposes other than training. If the individual was a member of the National Guard or reserve forces and has a discharge document other than a DD Form 214, the individual must receive certification of veteran status from the Iowa Department of Veterans Affairs prior to applying to the department for a license or nonoperator’s identification card with a veteran designation. These distinctions are in accord with guidelines provided by the Iowa Department of Veterans Affairs for proper determination of veteran status, and with the authorizing legislation, which only allow the department to authorize a veteran designation when the applicant presents a DD Form 214.

The proposed rules provide that the department may consult with and defer to the Iowa Department of Veterans Affairs regarding what constitutes a properly completed DD Form 214 and veteran status in general.

The proposed rules also provide for cancellation of the license or card based on error or fraud. A duplicate license or card may be issued at no cost if it was issued in error, as long as the error was not the result of fraud.

These amendments update the following to align the rules with the changes to the Iowa Code and conform the rules with department practices and do not affect private sector jobs or other employment opportunities within the state.

- 761 IAC 605.2, Contents of license
- 761 IAC 605.11, Duplicate license
- 761 IAC 630.2, Application and issuance

The public comment period ended on November 29 and we did not receive any comments or requests for oral presentations.

Mark Lowe, Motor Vehicle Division; This set of rules implement for both driver's license and identification cards the ability for a person who is veteran status to come directly to the DOT using the DD 214 to have us approve their status as a veteran and note that on their driver's license or ID card so it will streamline the process for veterans so they don't have to go first to a county Veteran's Affairs office and then come back to our office, they can do it in one visit.

We recommend approval of these rules.

Sree Mitra, Office of Public Transit; last month I presented some recommendations for projects to use left over funding for the FTA's JARC and New Freedom programs. These programs assist low income populations with rides to work and with transit projects that go beyond the ADA requirements.

We had a few minor changes to the recommended projects which we presented this morning. We would like to thank the Commission for your past support of these types of projects that positively impact the Iowa's vulnerable populations.

It is recommended the Commission approve the Job Access Reverse Commute and New Freedom funding recommendations presented on the Commission Order.

Commissioner Boswell made a motion to approve the Job Access Reverse Commute and New Freedom funding. Commissioner Yanney seconded the motion. Commissioner Putney, absent; Remaining Commissioners voted aye.
