COVID-19 RESPONSE 4-1-2020

Update Change

As a reminder we will be providing this update on Monday, Wednesday, and Friday this week.

Stay connected

Iowa DOT's COVID-19 pages are available at <https://iowadot.gov/covid-19> (outside the DOT network) or <http://dotnet/covid-19/> (inside the DOT network).

Here's what we know

- Since our last update on Monday there have been an additional 125 positive cases reported for a total of 549 positive cases confirmed in Iowa. To get the latest stats and a map of counties with positive cases check the state's [COVID-19 website](#).

Here's what we are doing internally

- Our FAQs for employees has been updated to include guidance regarding limiting the number of people in DOT vehicles as well as use of personal vehicles. The updated FAQ, [available here](#) can only be accessed if you are on the DOT network onsite, or through a VPN connection.
- Our telework FAQs have also been updated. Once again, you must be connected to the DOT network to access them. Find those [here](#).

Here's what we are doing externally

- We continue to update our [FAQs for the public](#) to help them understand how to most safely continue to do business with the DOT during this time. New information on the page includes how the virus is impacting our construction activities and information on how to receive restricted CDLs remotely.

We will continue to keep you informed on what the Iowa DOT is doing to respond. Please stay safe, stay home when possible, and remember to practice good hygiene a
