

## KEEPING YOU SAFE & INFORMED

### COVID-19 RESPONSE 4-13-2020

#### *Stay connected*

Iowa DOT's COVID-19 pages are available at <https://iowadot.gov/covid-19> (outside the DOT network) or <http://dotnet/covid-19/> (inside the DOT network).

#### *Here's what we know*

- Since our last update on Friday there have been an additional 322 positive cases reported for a total of 1,710 positive cases confirmed and 43 deaths in Iowa. To get the latest stats and a map of counties with positive cases check the state's [COVID-19 website](#).

#### *Here's what we are doing internally*

- Last week employees in printing, warehouse, janitorial, and materials made over 2,000 no-sew cloth masks that were delivered by MVE officers to employees in the district, driver's service centers, and other locations. More masks are expected to be made this week to help protect our employees, particularly those that are serving customers, interacting with the public, or may be in situations where social distancing is more difficult to achieve throughout their day.

We will continue to keep you informed on what the Iowa DOT is doing to respond. Please stay safe, stay home when possible, and remember to practice good hygiene and social distancing!
