

KEEPING YOU SAFE & INFORMED

COVID-19 RESPONSE 5-6-2020

Keeping our employees safe and informed continues to be a high priority. Part of this effort includes continuing to update the personal protective equipment we use in our workplace. A plan for COVID-19 PPE use within the department has been developed based on CDC and OSHA guidance. To help determine appropriate precautions and PPE use, the following attached guidance has been created. The following attached guidance includes:

- PPE Usage and OSHA risk categories
- Face covering information
- Instructions for safely putting on and taking off a mask

Any questions, please contact one of the following individuals in the Employee Services Bureau:

Tim Carey
Tim.Carey@iowadot.us
515-239-1102

Linda Anderson
Linda.Anderson@iowadot.us
515-233-7757

We appreciate your continued commitment to keeping our employees safe while continuing to provide transportation services to the People of Iowa.

As always, take care and be safe,
Lee
