COVID-19 RESPONSE

Guidance for entering DOT Facilities

For guests who wish to enter one of our facilities, you need to ask them these questions. If the answer to any of the questions is yes, they cannot enter the facility. For individuals needing access on multiple days, this process needs to be repeated each day they request to enter the facility.

1. *Do you have a fever of 100.4 or above?*
2. *Have you traveled outside of the United States in the past 2 weeks?*
3. *Do you have a runny nose, cough or sore throat?*
4. *Have you been in personal contact with anyone who has been diagnosed with COVID-19?*

Again, if they answer yes to any of the above questions, they cannot enter the facility.
