

Filling out a Public Notice

The information for the public notice could be taken from the Notice of Intent. The only one piece of information that needs to be found is “the number of point sources”. Point source is defined as the location where the water is leaving the project.

County: Write the name of the county.

DOT Project(s): Write the project number(s).

Letting Date: Write the letting date.

Date Sent: Leave this blank.

For Newspapers: Leave this blank.

PUBLIC NOTICE

First paragraph is the same.

Second paragraph should have the route number, the county name, the description of the work, and the location of the project. ***(from NOI)***

The third paragraph is the same with ***FACILITY LOCATION OR LOCATION OF CONSTRUCTION SITE (NOI)***

The fourth paragraph should have ***the number of point sources*** and receiving waters. ***(from NOI)***

The fifth paragraph is the same.
