

H Sheets and HE Sheets

Design Manual
Chapter 1
General Information
Originally Issued: 02-04-11

H sheets contain ROW information, including station and offset callouts and property owner names.

Contents of the H Sheets

H sheets contain plan views of any Right of Way required for the project. These sheets are provided in PDF format by the Office of Right of Way. The HE sheet designation may be used when the area of the sheet matches the area shown on a corresponding E sheet.

Plan Quality Checklist

- Are sheets printed in grey scale according to Section [21E-4](#)?
- Is the entire project covered?
- Right of Way staff should be listed as the design contacts on the H sheets.
- Is 'For Information Only' on each sheet?
