

N Sheets

Design Manual
Chapter 1
Chapter Title
Originally Issued: 02-04-11

The N sheets provide signing and traffic signal information. These are provided by the Office of Traffic and Safety.

Contents of the N Sheets

The N sheets contain tabulations, details, and plan views of signing and traffic signal installations.

Sample N Sheets

Plan Quality Checklist

- Are bid items included in Project Scheduling?
- Do locations of signs and traffic signals conflict with other utilities?
- Is signing consistent with project staging?
- Are all of the signing and traffic signal installations shown on the layout sheets?
- Does each sheet contain a scale and north arrow?
