Some of these features have been added back in for the GIS people. This information is needed for their work. Also, the utility codes changed to reflect the accuracy of the utility location on the projects.

Chronology of Changes to Design Manual Section:

040B-004 Feature Codes - Modifications

1/22/2015	Revised Add in feature codes. Some feature codes were added back in for GIS people to complete their work.
5/8/2013	Revised Added new feature code UPH - Utility Pot Hole Location
9/30/2011	NEW New
