

******THIS IS A NEW APPENDIX. – PLEASE READ CAREFULLY.******

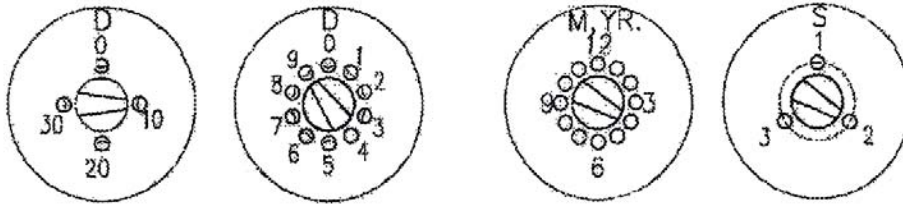

NORTHERN PIPE PRODUCTS

Hampton Print Code Nomenclature

(DETAIL INSIDE THE MOLD)

Day

Month, Year, Shift

(DETAIL INSIDE THE MOLD)

EXAMPLE:

The encoders were set up to read:

Day-19

Month-4 (April) Shift-2

Year-04

1. First encoder denotes first character of two-digit day.
2. Second encoder denotes second character of two-digit day.
3. Third encoder denotes month and year.
4. Fourth encoder denotes shift number.

Example is the second shift on April 19, 2004

The pipe also includes the following information:

- Northern Pipe Products Name
- Nominal Pipe Diameter
- ASTM Standard Specification Number
- AASHTO Standard Specification Number
