**INSPECTION & ACCEPTANCE  
MODULAR LANE SEPARATOR SYSTEM**

**GENERAL**

The Modular Lane Separator System consists of a combination of longitudinal curb units and upright flexible posts. These systems shall meet the requirements of the current DS Modular Lane Separator System.

**ACCEPTANCE**

Acceptance of Modular Lane Separator System will be based on satisfactory evaluation of a preliminary sample furnished to the Iowa Department of Transportation, Office of Materials, Ames, Iowa, and the manufacturer certification statement of specification compliance. A list of approved manufacturers based on preliminary sample evaluation and certification documentation will be developed and maintained by the Office of Materials. This list appears in Appendix A.

**CERTIFICATION**

The manufacturer shall provide the Project Inspector the following statement of certification:

Certification Statement

This is to certify that (manufacturer name, product number) this Modular Lane Separator System meets the requirements of the applicable specifications of the Iowa Department of Transportation.

\_\_\_\_\_  
Authorized Signature and Date

A responsible company representative shall sign the certification statement.
