

**Appendix E- CERTIFICATION LETTER FOR ASBESTOS CONTAINING MATERIALS**

**General**

Prior to sampling by the DOT, submit a letter of certification for ACM to the District Materials Engineer. The letter should be signed by an authorized representative from the RAS Supplier.

(SAMPLE ACM CERTIFICATION LETTER)

---

DATE: \_\_\_\_\_  
TO: \_\_\_\_\_(District Materials Engineer)  
FROM: \_\_\_\_\_(Supplier's authorized representative)  
SUBJECT: Certification of ACM

The recycled asphalt shingles in pile number \_\_\_\_\_ located at \_\_\_\_\_  
(source) have been certified asbestos free. The ACM testing protocol outlined in the \_\_\_\_\_  
(Supplier name) quality control plan was followed and records are available upon request.

Signed,

\_\_\_\_\_(Authorized Representative's Name)
