Comments

Yes	No	Form 102115 commitment	Comments
		Approved adjustments	
		Revised Form 102115 commitment	
		Contractor accomplishment (Has a commercially useful function review been performed for each DBE firm identified above? If no, the dollars paid to the firm may not be claimed toward the contractor accomplishment.)	
		Reduction in prime contractor payment (Include a copy of change order for any reduction in prime contractor payment.)	

Project Engineer – I have monitored the work performed by the DBE and certify that the work was performed by the DBE listed above as required by Article 1102.17 of the Standard Specifications.
