Federal-aid Swap
Project Numbering Guidelines

Swap projects will be re-numbered in the following format for City and County administered projects:

Federal-aid Project Number:

> **STP-S-C001(601)--5E-01**
> STP = System Prefix Letter Code
> C001 = County or DOT City Number, in this case Adair County
> 5E = Alpha-Numeric System Prefix
> 01 = County Number where project is located

SWAP Project Number:

> **STBG-SWAP-C001(601)--FG-01**
> STBG-SWAP = System Prefix Letter Code
> C001 = County or DOT City Number, in this case Adair County
> FG = Alpha-Numeric System Prefix, in this case an On Farm-to-Market System paid through the
>       Contractor Pay System
> 01 = County Number where project is located

1. All Swap projects will be assigned an Alpha-Numeric System Prefix consisting of two alpha characters. Projects paid from the Farm-to-Market account will be an Alpha-Numeric System Prefix beginning with "F". Projects paid on a reimbursement basis will be assigned an Alpha-Numeric System Prefix beginning with "S".

2. The <u>Alpha-Numeric System Prefixes</u> will correspond to a <u>System Prefix Letter Code</u> with "-SWAP" located in the project number.

    a. For bridge projects funded by Swap funds will be designated as follows:

| System Prefix Letter Code | | | Alpha-Numeric System Prefix | | |
|---|---|---|---|---|---|
| Federal-aid Prefix | Description | SWAP Prefix | Federal-aid Alpha-Numeric System Prefixes | SWAP On FM System On Contractor Pay System Alpha-Numeric System Prefix | SWAP Non-FM System Non-Contractor Pay System Alpha-Numeric System Prefix |
| BHM | On System, non-FM Account Bridge Rehabilitation | BHM-SWAP | 8K | -- | SA |
| BHOS | Off System Bridge Rehabilitation | BHOS-SWAP | 5N, 89 | FB | SB |
| BHS | On System, Farm-to-Market Bridge Rehabilitation | BHS-SWAP | 63 | FC | -- |
| BRM | On System, non-FM Account Bridge Replacement | BRM-SWAP | 8N | -- | SD |
| BROS | Off System Bridge Replacement | BROS-SWAP | 5F, 8J | FE | SE |
| BRS | On System, Farm-to-Market Bridge Replacement | BRS-SWAP | 60 | FF | -- |

b. For non-bridge projects funded with Swap funds the <u>System Prefix Letter Code</u> will follow the following format, Federal <u>System Prefix Letter Code</u> followed by "-SWAP". Projects eligible for Surface Transportation Block Grant funds that currently have a STP <u>System Prefix Letter Code</u>, the STP-, STP-S, STP-U will be replaced with STBG-SWAP. Clean Air Attainment program funds assigned a STP-A designation would be assigned ICAAP-SWAP. For Highway Safety Improvement Program funds, HSIP-SWAP would be assigned. Other Swapped Federal-aid projects would follow a similar format.

| System Prefix Letter Code | | | Alpha-Numeric System Prefix | | |
|---|---|---|---|---|---|
| **Federal-aid Prefix** | **Description** | **SWAP Prefix** | **Federal-aid Alpha-Numeric System Prefixes** | **SWAP On FM System On Contractor Pay System Alpha-Numeric System Prefix** | **SWAP Non-FM System Non-Contractor Pay System Alpha-Numeric System Prefix** |
| STP-U | Urban System Project | STBG-SWAP | 27, 2C, 5E, 5P, 70 | FG | SG |
| STP-S | Secondary System Project | | | | |
| STP-A | Iowa Clean Air Attainment Program | ICAAP-SWAP | 0A, 22, 5E, 5M, 86 | FH | SH |
| HSIP-S | Highway Safety Improvement Program | HSIP-SWAP | 6C | FJ | SJ |
