

LRTF Schedule of Labor and Equipment Rates

Fiscal Year 2024

Applications to the Living Roadway Trust Fund (LRTF) for FY2024 may require matching funds. In an effort to standardize the match that is provided, the Iowa DOT is putting forth this guidance. Matching funds for LRTF applications, for both labor and equipment, can use actual departmental cost rates, if they are known, or quotations if they have been obtained in writing from vendors and included with the grant application. Otherwise all other labor and equipment rates must follow the guidelines below.

Labor: Volunteer time being used to leverage LRTF funds is to be valued at the Federal Volunteer Labor Rate for the United States at \$29.95/hour¹. For activities required to complete the project other than labor, the Mean (average) Hourly Wage obtained from the US Bureau of Labor Statistics State Occupational Employment and Wage Estimates for Iowa² are to be used for a given occupation are to be used where applicable and appropriate.

Equipment: Each year the Iowa DOT's Office of Local Systems establishes its own sheet of Equipment Rates.³ These equipment rates are to be used when actual departmental costs or use rates are not known. LRTF does not create these rates, but has adopted them for use. They are listed on pages 2-6 of this document.

Rates for pieces of equipment not found on the Iowa DOT's sheet of Equipment Rates³ can be valued at the following rates:

Equipment	Rate	Units
Bale Processor	\$14.75	/hour
Boom Mower	\$40.82	/hour
Compact Track Loader	\$71.22	/hour
Compact Track Loader w/ Forestry Head	\$94.74	/hour
Compact Track Loader w/ Shouldering Unit	\$95.42	/hour
Compost Spreader	\$14.75	/acre
Disk/Gill/Pulverizer/Straw Crimper	\$6.36	/acre
Hydroseeder	\$17.12	/hour
Seed Drill	\$14.75	/acre

All labor and equipment rates are subject to the approval of the Iowa DOT. Please contact LRTF Coordinator Tara Van Waus or tara.vanwaus@iowadot.us to help you determine if the rate you've selected is appropriate for the task at hand.
