

IOWA TRANSPORTATION COMMISSION
PUBLIC INPUT MEETING DELEGATION SUMMARY
Iowa DOT Central Complex (Conference Call) | Ames, IA | August 11, 2020

East Central Iowa Transportation Coalition

Beth Danowsky will speak about the importance of the NW Oskaloosa Bypass project and highlight the various businesses in the Oskaloosa area.

City of Oskaloosa/Mahaska County/Mahaska Chamber

Mike Schrock, City Manager for the City of Oskaloosa will discuss the Mahaska Oskaloosa Driving Economic Success (MODES) Planning Study. Included in the presentation is an overview of what MODES is, need, partners and project history.

South Central Regional Airport Agency

Dr. David Barnes, SCRAA Chair will discuss the history surrounding development of the new airport along with the current status of land acquisition. In addition, Barnes will review the facility development schedule.

Area 15 Regional Planning Commission

Chris Kukla, Transportation Director for RPA 15 will give an overview of the RPA and its responsibilities. In addition, Chris will discuss several past RISE projects and future transportation initiatives in Keosauqua and Ottumwa.

US 30 Coalition

Adam Schweers, US 30 Hwy Coalition Chair, will discuss the needs of the US 30 corridor across the state.

Highway 150 Coalition

Dylan Mulfinger, City Administrator for the City of Oelwein will discuss transportation issues and potential improvements to the Iowa 150 corridor. The Highway 150 Coalition will request that the Iowa DOT conduct a study through Independence to improve safety and efficiency issues.
