DEPARTMENT OF TRANSPORTATION  
COMMISSION ORDER

Transportation Development Division  
Division/Bureau/Office Local Systems Bureau Order No. TD-2025-92  
Submitted by Debra Arp Phone No. 515-239-1681 Meeting Date May 13, 2025  
Title Revitalize Iowa's Sound Economy (RISE) Application – Waterloo

**DISCUSSION/BACKGROUND:**

The City of Waterloo was previously awarded a RISE Local Development grant to assist in the construction of approximately 2,600 feet of Dakota Drive, 470 feet of Wolfe Avenue, turn lanes on Dakota Drive, and a left turn lane on Ansborough Avenue located on the southwest side of town. A modification to the scope and grant award was requested to construct a roundabout at the intersection of Ansborough Avenue with the U.S. 20 eastbound ramps.

This project is necessary to provide improved access to South Waterloo Business Park, an Iowa Economic Development Authority certified site of more than 183 acres. The certification for this site expires October 7, 2027.

The evaluation and rating for the project will be discussed.

**PROPOSAL/ACTION RECOMMENDATION:**

It is recommended the Commission, based on potential capital investment and future job creation, approve a modification of the previously awarded certified site RISE grant to include \$2,541,438 of additional costs for a new total cost of \$6,329,663 and increase the estimated RISE grant by \$1,524,863 to a new total of \$3,797,798 from the city share of the RISE Fund or up to 60 percent of the total RISE-eligible project cost, whichever is less. Since this is a certified site project, the actual award amount is subject to change as the project plans are finalized. Any additional changes to the scope or approved funding will be submitted by the department to the Commission for consideration as a modification to the award.

DEPARTMENT OF TRANSPORTATION  
COMMISSION ORDER

Transportation Development Division  
Division/Bureau/Office Location and Environment Bureau Order No. TD-2025-93  
Submitted by Gary Harris Phone No. 515-239-1459 Meeting Date May 13, 2025  
Corridor Preservation Zone: US 20 from just west of Sundown Road to just west of Swiss Valley  
Title Road near Peosta, Iowa

**DISCUSSION/BACKGROUND:**

The original corridor preservation zone (CPZ) was established in July 2022. Since then, preliminary concepts have been developed that require a new CPZ be approved.

The corridor preservation zone area for US 20 is from approximately 0.4 miles west of Sundown Road to approximately 0.5 miles west of Swiss Valley Road, near Peosta, Iowa. The width of the corridor preservation zone varies depending upon the location within the corridor. Development adjacent to US 20 is increasing and there are several areas that have high potential for growth in the near future.

If a decision is made to acquire property within the corridor preservation zone, the Iowa Department of Transportation will use emergency and contingency funds in the Five-Year Program or funds that are programmed for project right-of-way acquisition. Commission approval for this corridor preservation zone allows the department to receive notice of intended development of property within the proposed right-of-way and provides the department the opportunity to take action to acquire it before the development occurs.

**PROPOSAL/ACTION RECOMMENDATION:**

It is recommended the Commission approve the corridor preservation zone along US 20 from just west of Sundown Road to just west of Swiss Valley Road, near Peosta, Iowa as shown on the attachment.
