## WELCOME TO IOWA!

Life provides us endless opportunities to learn. When fortunate enough to travel the great state of lowa, the chance to pick up bits of knowledge pops up in every corner.

 $\forall \land \bigcirc$ 

lowa is the only state bordered by two navigable rivers - the Mississippi and the Missouri. That's why bridges are a big deal to us. One of our ewest structures, the award-winning Interstate 74 Mississippi River Bridge is featured on the cover of this map. This iconic bridge connects our great state and our economy by welcoming you into Bettendorf, Iowa from Moline, Illinois. Bridges, like the Interstate 74 Mississippi

a symbol of connection and innovation. We encourage you to discover the wonders and beauty of lowa by

a moment and let lowa's scenic byways, heritage byways, and historic auto trails connect you to the past, present, and future of our great state. Through beautiful landscapes from coast to coast you'll pass

River Bridge, help feed and fuel the world. Not only that, they serve as using our more than 115,000 miles of well-maintained roadways. Take

lush farm country, over beautiful bridges, and into our bustling cities, both small and large. No matter what sparks your curiosity, you'll find something new to learn. Whether your travels take you searching for fossils at the Fossil and

Prairie Park in Floyd County, hiking one of our many state parks, or catching a traveling Broadway production at the Civic Center in Des Moines, we hope you learn a little more about our state in your journey.

Sincerely,
