“Distance schedule” means the department form used to report fleet distance.

“IRP” means the International Registration Plan as defined in Iowa Code section 326.2.

“Qualified registrant” means a motor carrier who has received written approval by the department to self-certify IRP credential destruction.

“Self-certification of IRP credential destruction” means a signed statement that is completed by a qualified registrant certifying the date the IRP credentials have been destroyed.

“Temporary evidence of apportioned registration” means a document issued by the department that describes the vehicle and lists the weight for each jurisdiction in which the vehicle is registered for operation and allows the vehicle to be operated.

“Vehicle schedule” means the department form used to report vehicle registration information.

This rule is intended to implement Iowa Code sections 326.2, 326.3, 326.15 and 326.33.

761—500.2(326) General information.

500.2(1) Information and location. Applications, forms and information on interstate registration and operation of vehicles are available on the department's website at www.iowadot.gov/mvd/motorcarriers/IRP/File-IRP; by mail from the Motor Vehicle Division, Iowa Department of Transportation, P.O. 500.2(3) Organizational data. The motor vehicle division is authorized pursuant to Iowa Code chapter 326 to enter into reciprocity apportioned registration agreements with other jurisdictions. The department is a member of the IRP. The IRP, effective January 2024, is hereby incorporated into this chapter. Under this agreement, the motor vehicle division will do all of the following:

- a. Compute and collect apportionable fees due to this state under apportioned registration agreements.
- b. Issue registration plates, validation stickers, cab cards, temporary evidence of apportioned registration and trip permits to qualified registrants.
- c. Enter into reciprocity agreements with other jurisdictions. These agreements exempt nonresidents from the registration and registration fee requirements of Iowa Code chapter 321.

This rule is intended to implement Iowa Code sections 326.5, 326.6 and 326.33.

761—500.3(17A,326) Waiver of rules. In accordance with 761—Chapter 11, the director of transportation or the director’s designee (director) may, in response to a petition, waive provisions of this chapter. A waiver will not be granted unless the director finds that special or emergency circumstances exist. “Special or emergency circumstances” means one or more of the following:

500.3(1) Circumstances where the movement is necessary to cooperate with cities, counties, other state agencies or other states in response to a national or other disaster.

500.3(2) Circumstances where the movement is necessary to cooperate with national defense officials.

500.3(3) Circumstances where the movement is necessary to cooperate with public or private utilities in order to maintain their public services.

500.3(4) Circumstances where the movement is essential to ensure safety and protection of any person or property due to events such as but not limited to pollution of natural resources, a potential fire or explosion.

500.3(5) Circumstances where weather or transportation problems create an undue hardship for citizens of the state of Iowa.

500.3(6) Circumstances where movement involves emergency-type vehicles.

500.3(7) Uncommon or extraordinary circumstances where the movement is essential to the existence of an Iowa business and the move may be accomplished without causing undue hazard to the safety of the traveling public or undue damage to private or public property.

This rule is intended to implement Iowa Code sections 17A.9A and 326.33.

761—500.4(326) Renewal for IRP registration. Renewal reminder notices are sent electronically or by mail at least 60 days prior to the registration expiration date to all registrants who maintained an active IRP fleet with Iowa during that year. The renewal is made available online at least 60 days prior to the registration expiration date and can be accessed on the department’s website.

500.4(1) The renewal must include:

a. A completed and signed distance schedule and vehicle schedule(s). The schedules can be filed and signed either electronically or on paper.

b. Title documentation, if necessary.

c. One of the following:

(1) Receipted federal heavy vehicle use tax (Form 2290 Schedule 1) for vehicles with a taxable gross weight of 55,000 pounds or more.

(2) A copy of Form 2290 Schedule 1 and sufficient documentation of payment of the tax due at the time Form 2290 was filed. The documentation can include but is not limited to a photocopy of both sides of a canceled check, a bank statement indicating the amount of tax paid and electronic acknowledgment indicating a payment of tax and an Internal Revenue Service printout of the taxpayer’s account showing the amount of tax paid.

500.4(2) Additional renewal procedures.

a. Vehicles may be deleted from the fleet at the time of renewal. Operating a vehicle with credentials marked as deleted will result in the registrant being responsible for any fees assessed, including any applicable penalty. Operating a vehicle with credentials that were self-certified as destroyed will result in suspension of the self-certification privilege.

b. Units being stored must be marked “stored” on the renewal vehicle schedule and the plates, cab cards and validation stickers must be returned in accordance with rule 761—500.5(321).

c. Vehicles may be added at the time of renewal. Upon payment of required fees, an applicant must apply for a temporary evidence of apportioned registration to be issued to operate a vehicle in accordance with the IRP. The department may extend the temporary evidence of apportioned registration if there are extenuating circumstances beyond the applicant’s control.

d. When the registrant is seeking a refund in accordance with Iowa Code section 326.15 for vehicles deleted from a fleet, the annual and permanent registration plates and validation stickers must be returned to the motor vehicle division. No refund will be paid for a vehicle deleted at the time of renewal.

This rule is intended to implement Iowa Code sections 326.6, 326.11, 326.12, 326.14, 326.15 and 326.33.

761—500.5(321,326) Deadline for placing a vehicle in storage. The registrant of a currently registered vehicle may at any time request that a vehicle be put into storage. The registrant must complete a vehicle schedule and return it with the plate, cab card and validation sticker to the motor vehicle division. The vehicle schedule, plate, cab card and sticker must be received or postmarked on or before the registration expiration date to stop the registration fee from being assessed for the renewal year. The motor vehicle division will destroy the plate and return the cab card to the registrant with the word “stored” stamped on it. Placing the vehicle in storage stops penalties on registration fees. When the vehicle is taken out of storage, the vehicle is assessed for the current annual registration fee.

This rule is intended to implement Iowa Code sections 321.126, 321.134 and 326.33.

761—500.6(326) Payment, delinquency and suspension.

500.6(1) Acceptable methods to make payment to the Iowa Department of Transportation include cash, check, credit card or any other means offered by the department. Payment is due 30 calendar days from the invoice date. However, renewal invoices are due 30 calendar days from the invoice date or by the last day of the registration expiration month, whichever is later.

500.6(2) Invoices not paid by the due date are assessed a late payment penalty as provided in Iowa Code sections 326.14 and 326.16. The same penalty amount will be assessed the first of each month thereafter until the total invoice and all penalties are paid in full.

500.6(3) A delinquency notice will be sent on invoices 30 calendar days overdue. The department will send a delinquency notice stating the IRP registration will be suspended unless payment is received within 30 calendar days from the date of the delinquency notice. If payment is not received in a timely manner, a notice of suspension will be sent to the registrant. When a registrant is under suspension, all of the registrant’s Iowa-based IRP vehicles and the registrant’s Iowa-based International Fuel Tax Agreement (IFTA) account, if applicable, are suspended.

This rule is intended to implement Iowa Code sections 326.10A, 326.14, 326.16 and 326.33.

761—500.7(326) Self-certification of IRP registration plate and validation sticker destruction.

500.7(1) In order to request a refund for unused registration fees, unless the registrant qualifies to self-certify destruction under this rule, plates and validation stickers must be returned to the department when a vehicle is deleted from the fleet. A registrant will meet all of the following requirements to qualify for department approval to self-certify destruction of IRP credentials:

a. A minimum of five years’ experience with IRP registration.

b. A satisfactory IRP payment history. A satisfactory payment history includes but is not limited to no suspension of IRP registration in the last five years due to late payment or returned check because of insufficient funds.

c. A satisfactory rating from the U.S. Department of Transportation in the previous five years.

500.7(2) A motor carrier subject to a federal out-of-service order in the current year or any of the four prior years is not eligible to self-certify IRP credential destruction.

This rule is intended to implement Iowa Code sections 326.15 and 326.33.

761—500.8(326) IRP credentials. Upon payment of appropriate fees and submission of all required documentation, the motor vehicle division will issue one IRP plate for each power unit to be mounted on the front of the power unit, one trailer plate to be mounted on the rear of the trailer and one cab card for each power unit. The cab card may be in either a physical or electronic format.

This rule is intended to implement Iowa Code sections 326.14 and 326.33.

761—500.9(326) Nonrenewal vehicle additions. A registrant may add a vehicle to the fleet at any time after the commencement of the registration year. Upon payment of required fees, temporary evidence of apportioned registration may be issued to operate the vehicle(s). The temporary evidence of apportioned registration will not exceed 45 days. However, the department may extend the temporary evidence of apportioned registration if there are extenuating circumstances. Once temporary evidence of apportioned registration is issued and used, fees will be due and the invoice may only be canceled if an error was made by the department or there were extenuating circumstances for which nonuse can be proven.

This rule is intended to implement Iowa Code sections 326.11 and 326.33.

761—500.10(326) Nonrenewal vehicle deletions. A registrant may delete vehicles from the fleet at any time after the commencement of the registration year. The plates and validation stickers must be returned to the motor vehicle division at the time of deletion. In lieu of returning the plates and validation stickers, a qualified registrant may submit a self-certification of IRP credential destruction on or before the vehicle's or vehicles' deletion date to the motor vehicle division. Operating a vehicle with credentials that were self-certified as destroyed will result in suspension of the self-certification privilege, and the registrant is responsible for any additional fees that would have been due beyond the stated destruction date.

This rule is intended to implement Iowa Code sections 326.12, 326.15 and 326.33.

761—500.11(326) Voluntary cancellation of registration. A registrant may cancel a transaction for IRP registration if the registrant notifies the motor vehicle division within 48 hours of the invoice date. The notice shall state the reason for cancellation, the licensing status and ownership and be signed by the registrant or its representative. If notice is not received within 48 hours or if a temporary evidence of apportioned registration was issued in accordance with rule 761—500.9(326), all registration fees must be paid in full.

This rule is intended to implement Iowa Code sections 326.6, 326.11 and 326.33.

761—500.12(326) Registration credit.

500.12(1) If a vehicle is deleted from the IRP fleet and replaced with another vehicle, registration credit may be applied to IRP fees due on the replacement vehicle if the registrant does all of the following:

a. Submits the vehicle schedule identifying the added and deleted vehicles to the motor vehicle division.

b. Deletes the vehicle on or before the effective date of the replacement vehicle's registration.

500.14(2) A replacement plate, including the cab card, is \$8.

The department may assess a penalty upon registrants who have failed to maintain proper records.

500.17(2) *Adequacy of records.* Records maintained by a registrant are adequate only if the records enable the department to verify the distances reported in the registrant's application for apportioned registration and to evaluate the accuracy of the registrant's distance accounting system. The records may be produced through any means and retained in any format or medium available to the registrant and accessible by the department.

- (3) The latitude and longitude to include a minimum of four decimal places (0.0001) of each system reading.

DEPARTMENT OF TRANSPORTATION
COMMISSION ORDER

Division/Bureau/Office Motor Vehicle Division Order No. MV-2026-20
Submitted by Sara Siedsma Phone No. 515-237-3057 Meeting Date September 9, 2025
Title Administrative Rules-761 IAC Chapter 601, Application for License

DISCUSSION/BACKGROUND:

The rulemaking proposes to rescind and repromulgate Chapter 601 in accordance with Executive Order 10. Proposed Chapter 601 complies with Iowa Code section 321.182 and the federal REAL ID Act, which require the Department to adopt rules regarding the application for a driver’s license and to administer REAL ID driver’s licenses in compliance with federal regulations. The proposed chapter also implements 2025 Iowa Acts, Senate File 418, which added a new definition of “sex” in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth and removed the ability for a person to obtain an amended Iowa birth certificate reflecting a change in the person’s sex under Iowa Code section 144.23. Due to enactment of these law changes, a person is no longer able to change the sex on the person’s driver’s license or nonoperator’s identification card to reflect a sex different than what is listed on the person’s identity document.

The public comment period ended on June 17, 2025. The Department received comments from One Iowa. The comments: opposed the rule change related to amending the ability to change the person’s sex designation on the driver’s license stating it relies on a medically inaccurate understanding of sex; asserted that the rule is discriminatory and undermines the goal of making people easier to identify; stated that under the rule, a person may both legally and medically be a sex that is not reflected on their license because their actual sex is different than the one that they were assigned at birth and there are a variety of conditions that can cause someone’s sex to not be readily apparent at birth; asserted that the rule will lead to conflicting forms of identification; indicated the belief that the rule will create a parallel process by which those born in neighboring states are going to have access to more accurate forms of identification than those born in the state of Iowa and urged the DOT to revert to the previous process to allow for more accurate identification.

The Department responded in writing to the commenter, pointing out that the rule is implementing statute and that under Iowa Code chapter 17A, an administrative rule cannot conflict with statutory provisions or amend or nullify legislative intent. Accordingly, the Department cannot leave in place in its rules a process by which a person can amend the sex on their driver’s license to something different than what is listed on their identity document.

The Department does plan to make the following change to the chapter to align with Iowa Code sections 321.182 and 321.189, which reference an applicant’s sex rather than the applicant’s sex designation:

- Amend subrules 601.2(4) and 601.4(7) to remove the term “designation” as that is not a term that appears in Iowa Code section 321.182 or 321.189 when referring to an applicant’s sex as listed in the application or on the license.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended that the Commission approve repromulgating Chapter 601 with the above-noted changes.

TRANSPORTATION DEPARTMENT[761]

Notice of Intended Action

**Proposing rulemaking related to application for license
and providing an opportunity for public comment**

The Transportation Department hereby proposes to rescind Chapter 601, “Application for License,” Iowa Administrative Code, and to adopt a new chapter with the same title.

Legal Authority for Rulemaking

This rulemaking is proposed under the authority provided in Iowa Code sections 307.12(1)“j” and 321.182.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code chapter 17A; section 4.1A as enacted by 2025 Iowa Acts, Senate File 418; sections 321.13, 321.177, 321.182, 321.184, 321.186, 321.189, 321.196, 321.197 and 321C.1; Article V, the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

Purpose and Summary

This rulemaking proposes to repromulgate Chapter 601 in compliance with Executive Order 10. Proposed Chapter 601 complies with Iowa Code section 321.182 and the federal REAL ID Act, which require the Department to adopt rules regarding the application for a driver’s license and to administer REAL ID driver’s licenses in compliance with federal regulations.

Regulatory Analysis

A Regulatory Analysis for this rulemaking was published in the Iowa Administrative Bulletin on February 19, 2025. A public hearing was held on the following date(s):

- March 13, 2025

The Department received no comments. The Department is making additional changes to the chapter to incorporate changes needed due to 2025 Iowa Acts, Senate File 418, which becomes effective July 1, 2025. Senate File 418 adds a new definition of “sex” in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth. Senate File 418 also removes the process of obtaining an amended birth certificate to reflect a change in a person’s sex designation from Iowa Code section 144.23. Due to these Iowa Code changes, a person will no longer be able to change the sex designation on the person’s driver’s license to reflect a sex designation different than what is listed on the person’s identity document, thus necessitating the conforming changes to this chapter.

Fiscal Impact

This rulemaking has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rulemaking, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

Public Comment

Any interested person may submit written or oral comments concerning this proposed rulemaking, which must be received by the Department no later than 4:30 p.m. on June 17, 2025. Comments should be directed to:

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rulemaking by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rulemaking at its [regular monthly meeting](#) or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

The following rulemaking action is proposed:

ITEM 1. Rescind 761—Chapter 601 and adopt the following **new** chapter in lieu thereof:

CHAPTER 601
APPLICATION FOR LICENSE

761—601.1(321) Information.

601.1(1) General. In addition to Iowa Code sections 321.182 and 321.196, this chapter provides information regarding how an applicant can qualify to apply for a driver’s license. Additional information regarding applications for a commercial driver’s license can be found in 761—Chapter 607.

601.1(2) Definition.

“License” means “driver’s license” as defined in Iowa Code section 321.1(20A) unless the context otherwise requires.

601.1(3) Documents and location. Applications, forms and information about applying for a driver’s license are available at any driver’s license service center. Assistance is also available by mail from the Motor Vehicle Division, Iowa Department of Transportation, P.O. Box 9204, Des Moines, Iowa

50306-9204; by telephone at 515.239.1837; by email at driver.services@iowadot.us; or on the department's website at www.iowadot.gov/mvd/driverslicense.

This rule is intended to implement Iowa Code section 321.182.

761—601.2(321,321C) Application for license. An application for a driver's license is to include the following:

601.2(1) Name. The applicant's full legal name is to be given on the application. "Full legal name" means an individual's first name(s), middle name(s) and last name(s), without use of initials or nicknames. Civilian and military titles, initials and nicknames are not to be used on the applicant's license or in the applicant's record. This does not apply where a portion of an individual's legal name, whether first, middle or last, consists of a single character, whether followed by a period or not.

601.2(2) Out-of-state verification. Upon application for a driver's license, the department is to ascertain whether the applicant has ever held, or is the holder of, a driver's license issued by any other state.

a. The department will not issue a driver's license to the applicant if:

(1) The applicant has held a driver's license issued by any other state, but the driver's license has been suspended by reason, in whole or part, of a violation and if such suspension period has not terminated.

(2) The applicant has held a driver's license issued by any other state, but the driver's license has been revoked by reason, in whole or part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, the applicant may make application for a new license if permitted by law. The department may refuse to issue a license to any such applicant if, after investigation, the department determines that it will not be safe to grant such applicant the privilege of driving a motor vehicle on the highways.

(3) The applicant is the holder of a driver's license issued by another state and currently in force unless the applicant surrenders such license.

b. If the applicant is subject to subparagraph 601.2(2) "a"(2) or has committed an offense or acted in a manner in another state that in Iowa would be grounds for revocation and it has been more than one year from the date the license or driving privilege was revoked, the department may issue the applicant a driver's license only upon such terms and conditions and subject to such restrictions or limitations as if the violation had been committed and the revocation imposed in Iowa. The department will delay licensing or restrict licensing for such period of time that the applicant would be ineligible for a driving privilege or subject to a restricted driving privilege if the violation had been committed and the revocation imposed in Iowa.

(1) The department may grant a driving privilege to an applicant who meets all of the following:

1. The applicant has satisfied the same requirements as if the violation had been committed and the revocation imposed in Iowa.

2. The applicant is otherwise physically and mentally capable of safely operating a motor vehicle.

(2) The department will not assess a civil penalty to the applicant as a condition of licensing under this subrule.

(3) Pursuant to Iowa Code section 321.13, the department may make further investigation or request further information necessary to determine whether it is safe to grant the applicant a driving privilege.

c. The department may verify the applicant's driving record from another state of record, including electronically, to assist the department in determining whether it is safe to grant the applicant a license.

601.2(3) Disabilities. The applicant is to indicate and explain any mental or physical disabilities that might affect the applicant's ability to operate a motor vehicle safely. The department may make further inquiries of the applicant or request further information necessary to determine whether it is safe to grant the applicant a driving privilege, including but not limited to requesting an examination authorized under Iowa Code section 321.186.

601.2(4) Physical description. The applicant shall provide the applicant's sex designation, height to the nearest inch, weight to the nearest pound and eye color.

601.2(5) Address. The applicant shall provide the applicant's current residential address and current mailing address, if different from the applicant's current residential address. A mailing address for which a forwarding order with the United States Postal Service is in place is not acceptable. Notwithstanding anything in subrule 601.2(5), an applicant who is a participant in the "safe at home" address confidentiality program administered by the Iowa secretary of state may submit a designated address issued to the applicant by the Iowa secretary of state as the applicant's residential and mailing address.

601.2(6) Signature.

a. The applicant's signature shall be without qualification and shall contain only the applicant's usual signature without any other titles, characters or symbols.

b. The applicant's signature certifies, under penalty of perjury and pursuant to the laws of the state of Iowa, that the statements made and information provided in the applicant's application are true and correct.

c. The applicant's signature further certifies that the fee collected and the change returned, if any, is correct and acknowledges that the applicant is aware of the obligation to notify the department of a change in mailing address within 30 days of the change.

d. The applicant's signature will be captured electronically.

601.2(7) Surrender of license and nonoperator's identification card. An applicant for a driver's license shall surrender all other driver's licenses and nonoperator's identification cards. This includes those issued by a state other than Iowa or a foreign jurisdiction unless otherwise provided in a letter of understanding or other written memorialization of reciprocity or understanding. An applicant who renews a driver's license electronically pursuant to 761—subrule 605.25(7) shall destroy the previous driver's license upon receipt of the renewed driver's license.

This rule is intended to implement Iowa Code sections 321.13, 321.177, 321.182, 321.186, 321.196 and 321C.1 and 6 CFR Part 37.

761—601.3(321) Emergency contact information. Pursuant to Iowa Code section 321.197, a person may voluntarily provide the department with emergency contact information.

601.3(1) Form and submission.

a. Emergency contact information may be provided to the department through any of the following methods:

(1) By submitting Form 430305 to the department's address or website listed in subrule 601.1(3) or by email at emergencyinfo.contact@iowadot.us.

(2) In person at a driver's license service center.

(3) In person at a county treasurer's office that issues driver's licenses under Iowa Code chapter 321M.

b. Submission of emergency contact information is not a condition of issuing, renewing or replacing a driver's license.

601.3(2) Modifications.

a. A person may request changes to the person's emergency contact information by entering those changes on the department's website or by submitting Form 430305 to the department using any of the methods provided in paragraph 601.3(1) "a."

b. A person may request to be removed as an emergency contact by submitting Form 430306 to the department at the address or website listed in subrule 601.1(3) or by email at emergencyinfo.contact@iowadot.us.

c. A person who was removed as an emergency contact under paragraph 601.3(2) "b" will not again be listed as the person's emergency contact unless the person submits Form 430306 to the department at the address or website listed in subrule 601.1(3) or by email at emergencyinfo.contact@iowadot.us.

This rule is intended to implement Iowa Code section 321.197.

761—601.4(17A,321) Proofs submitted with application. An applicant for a new Iowa driver's license or nonoperator's identification card, including a person who currently holds a license or card issued by

another state or foreign jurisdiction, shall submit proof of identity, date of birth, social security number, Iowa residency and current residential address and lawful status in the United States.

601.4(1) *Verification of identity and date of birth.* To establish identity and date of birth, an applicant must submit at least one of the following documents. The department may require additional documentation.

- a. A valid, unexpired U.S. passport or U.S. passport card.
- b. A certified copy of a birth certificate and, if applicable, a certified amended or new birth certificate showing a change in name or date of birth, filed with a state office of vital statistics or equivalent agency in the applicant's state of birth. The birth certificate must bear the issuing authority's certification of authenticity. A hospital-issued certificate is not acceptable. As used herein, "state" means a state of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands.
- c. A Consular Report of Birth Abroad issued by the U.S. Department of State (Form FS-240, DS-1350 or FS-545).
- d. A valid, unexpired Permanent Resident Card (Form I-551) issued by the U.S. Department of Homeland Security or U.S. Immigration and Naturalization Service.
- e. An unexpired employment authorization document issued by the U.S. Department of Homeland Security (Form I-766 or Form I-688B).
- f. An unexpired foreign passport with a U.S. visa affixed, accompanied by the approved I-94 form documenting the applicant's most recent admittance into the United States.
- g. A Certificate of Naturalization issued by the U.S. Department of Homeland Security (Form N-550 or Form N-570).
- h. A Certificate of Citizenship (Form N-560 or Form N-561) issued by the U.S. Department of Homeland Security.
- i. A REAL ID driver's license or identification card as defined in 6 CFR Section 37.3.
- j. Such other documents as the U.S. Department of Homeland Security may designate as acceptable proof of identity and date of birth for REAL ID purposes by notice published in the Federal Register.
- k. A federal release identification card issued by the U.S. Department of Justice or Federal Bureau of Prisons or an Inmate Descriptor Inquiry, Client Information Inquiry or Offender Snapshot document issued by the Iowa department of corrections or the United States District Court, Northern and Southern Districts of Iowa, that contains the applicant's full legal name and date of birth and is notarized. An application that includes only a document listed in this paragraph as proof of identity and date of birth is only eligible for a driver's license or nonoperator's identification card marked as not acceptable for federal purposes pursuant to 6 CFR Part 37.

601.4(2) *Verification of social security number.*

- a. Except as provided in paragraph 601.4(2)"b," an applicant must provide the applicant's Social Security Administration's account number.

601.4(3) *Verification of Iowa residency and current residential address.*

is acceptable. The current residence of a person with more than one dwelling is the dwelling for which the person claims a homestead tax credit under Iowa Code chapter 425, if applicable.

c. An applicant who is a member of the armed forces and is an Iowa resident stationed in another state or an applicant who is the spouse or dependent family member residing with a member of the armed forces that is an Iowa resident stationed in another state may use the applicant's address in the state of station as the applicant's current residential address if the applicant does not maintain an Iowa residence during the applicant's deployment outside the state of Iowa. The applicant must provide official documentation confirming the applicant's residential address in the state of station and that the applicant is stationed in that state. The applicant's mailing address may be the applicant's current residential address or another address at which the applicant receives mail.

601.4(4) *Verification of lawful status in the United States.*

a. If an applicant presents one of the identity documents listed under subrule 601.5(1), the department's verification of that identity document is satisfactory evidence of lawful status.

b. 601.4(5) *Verification of name change.* The name listed on the driver's license or nonoperator's identification card that is issued will be identical to the name listed on the identity document submitted unless the applicant submits the chain of legal documents necessary to show the legal change of the applicant's name from the identity document submitted to the applicant's current legal name under paragraph 601.4(5) "a" or "b." Alternatively, an applicant who is an existing Iowa licensee or cardholder may confirm the applicant's current legal name as displayed on the applicant's license or card under the provisions of paragraph 601.4(5) "c." The following documents are acceptable:

a. Court-ordered name change. A court order must contain the applicant's prior legal name, the applicant's court-ordered legal name, and the court's certification of authenticity. Acceptable court orders include orders under petition for name change, orders for name change set forth in a decree of dissolution, and orders for name change set forth in a decree of adoption.

The applicant must establish that the applicant's Social Security Administration's account number is issued in the applicant's current legal name as verified by the department with the Social Security Online Verification (SSOLV) system in accordance with 6 CFR Section 37.13(b)(2) effective January 1, 2024.

601.4(6) *Verification of change of date of birth.* The date of birth listed on the driver's license or nonoperator's identification card that is issued will be identical to the date of birth listed on the identity document submitted unless the applicant submits a certified amended or new birth certificate that documents the change of date of birth and complies with paragraph 601.4(1) "b."

601.4(7) *Verification of sex designation.* The sex designation listed on the driver's license or nonoperator's identification card that is issued will be identical to the sex designation listed on the identity document submitted.

601.4(8) *Exception process.* As provided in 6 CFR Section 37.11(h) (REAL ID exceptions process) effective January 1, 2024, and notwithstanding any other provisions of this chapter or 761—Chapter 11 to the contrary, an applicant who, for reasons beyond the applicant's control, is unable to present a necessary document under this rule may apply to the department for an exception as provided in this subrule.

a. To apply for an exception under this rule, an applicant is to submit a written request to the department at the address or email address listed in subrule 601.1(3) or in person at any driver's license service center containing all of the following:

- (1) The applicant's name, address, date of birth and contact information.
- (2) Whether the applicant is applying for a driver's license or nonoperator's identification card.
- (3) A description of the necessary verification of identity and date of birth or verification of name change documents under this rule that the applicant is unable to provide and the reason why it is beyond the applicant's control to provide the document.
- (4) Any alternate document or other proof that exists to verify the facts contained in the missing document, which may include an approved I-94 form documenting the applicant's most recent admittance into the United States as verified by the U.S. Department of Homeland Security in accordance with 6 CFR Section 37.13 effective January 1, 2024.

- (4) Granting the exception will not prejudice the substantial legal rights of any person, as determined by the department.

c. The department may place any condition on an exception issued under this rule that the department finds necessary to carry out the department's functions.

d. An exception under this subrule does not apply to a required document under subrule 601.4(2).

e. An alternate document accepted under this exception process to satisfy the provisions of subrule 601.4(4) is only allowed if the document demonstrates United States citizenship as required by 6 CFR Section 37.11(h) effective January 1, 2024.

f. An applicant's inability to pay for a necessary document under this rule does not meet the criteria for an exception under this subrule.

g. Nothing in this subrule requires the department to issue a driver's license or nonoperator's identification card if the applicant is not otherwise eligible. The department reserves the right to modify or cancel an exception at any time if the department finds that anything in the exception application or accompanying documentation was based on fraud or misrepresentation by the applicant or if the modification or cancellation is necessary based on a change in circumstances of the applicant.

h. An applicant whose request for exception under this rule has been denied may contest the decision in accordance with Iowa Code chapter 17A and 761—Chapter 13. The request for a hearing may be submitted in writing to the motor vehicle division. DEPARTMENT OF TRANSPORTATION
COMMISSION ORDER

Division/Bureau/Office Motor Vehicle Division Order No. MV-2026-21
 Submitted by Sara Siedsma Phone No. 515-237-3057 Meeting Date September 9, 2025
 Title Administrative Rules-761 IAC Chapter 605, License Issuance

DISCUSSION/BACKGROUND:

The rulemaking proposes to rescind and repromulgate Chapter 605 in accordance with Executive Order 10. Proposed Chapter 605 complies with Iowa Code and the federal REAL ID Act, which require the Department to issue driver’s licenses to qualified applicants and to administer REAL ID driver’s licenses in compliance with federal regulations. The proposed chapter also implements 2025 Iowa Acts, Senate File 418, which added a new definition of “sex” in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth and removed the ability for a person to obtain an amended Iowa birth certificate reflecting a change in the person’s sex under Iowa Code section 144.23. Due to enactment of these law changes, a person is no longer able to change the sex on the person’s driver’s license to reflect a sex different than what is listed on the person’s identity document.

The public comment period ended on August 13, 2025. The Department received no comments.

The Department does plan to make the following change to the chapter to align with Iowa Code section 321.189, which references an applicant’s sex rather than the applicant’s sex designation:

- Amend subrule 605.4(5) to remove the term “designation” as that is not a term that appears in Iowa Code section 321.189 when referring to an applicant’s sex as listed on the license.

A complete summary explaining the proposed rulemaking is included in the attached Notice of Intended Action.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended that the Commission approve repromulgating Chapter 605 with the above-noted changes.

Notice of Intended Action

**Proposing rulemaking related to license issuance
and providing an opportunity for public comment**

The Transportation Department hereby proposes to rescind Chapter 605, “License Issuance,” Iowa Administrative Code, and to adopt a new chapter with the same title.

Legal Authority for Rulemaking

This rulemaking is proposed under the authority provided in Iowa Code sections 307.12(1)“j,” 321.189, 321.191 and 321.196.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code chapter 321A; section 4.1A as enacted by 2025 Iowa Acts, Senate File 418; sections 142C.3, 252J.8, 252J.9, 307.12(1)“j,” 321.1, 321.13, 321.176, 321.177, 321.178, 321.180 through 321.180B, 321.182, 321.184, 321.186, 321.188, 321.189, 321.191, 321.193 through 321.196, 321.198, 321.208, 321.210, 321.212, 321.215, 321J.4, and 321J.20; the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

Purpose and Summary

This rulemaking proposes to repromulgate Chapter 605 in compliance with Executive Order 10. Proposed Chapter 605 complies with provisions of the Iowa Code and the federal REAL ID Act, which require the Department to issue driver’s licenses to qualified applicants and to administer REAL ID driver’s licenses in compliance with federal regulations. The proposed chapter also implements Iowa Code section 4.1A as enacted by 2025 Iowa Acts, Senate File 418. This legislation adds a new definition of “sex” in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth and removes from Iowa Code section 144.23 the process of obtaining an amended birth certificate to reflect a change in a person’s sex designation. Due to these Iowa Code changes, a person will no longer be able to change the sex designation on the person’s driver’s license to reflect a sex designation different from what is listed on the person’s identity document, thus necessitating the conforming changes to this chapter.

This rule is intended to implement Iowa Code sections 307.12(1)“j” and 321.174.

761—605.2(307,321) Definitions. The definitions in Iowa Code section 321.1 and the following definitions apply to this chapter.

“Interstate or freeway driving” means fully and partially controlled access roads with a speed limit of 65 miles per hour or more for the purposes of this chapter.

“License” means “driver’s license” as defined in Iowa Code section 321.1(20A) unless the context otherwise requires.

“Medical report” means a report from a qualified medical professional attesting to a person’s physical or mental capability to operate a motor vehicle safely. The report should be submitted on Form 430031. In lieu of Form 430031, a report signed by a qualified medical professional on the qualified medical professional’s letterhead may be accepted if it contains all the information specified on Form 430031.

“Nearby” in Iowa Code section 321.176(2) means a distance of not more than two miles.

“Qualified medical professional” means a person licensed as a physician under Iowa Code chapter 148, a person licensed as an advanced registered nurse practitioner under Iowa Code chapter 152 and licensed with the board of nursing or a person licensed as a physician assistant under Iowa Code chapter 148C, when practicing within the scope of the person’s professional licensure.

761—605.3(252J,307,321) Persons not to be licensed.

605.3(1) The department will not knowingly issue a license to any person who:

a. Is ineligible for licensing.

b. Is unable to operate a motor vehicle safely because of a physical or mental disability until that person submits a medical report or vision report stating that the person is physically and mentally capable of operating a vehicle safely and passes the applicable examinations if required under 761—Chapter 604 or 607.

c. Has been specifically adjudged incompetent pursuant to Iowa Code chapter 229 on or after January 1, 1976, including anyone admitted to a mental health facility prior to that date and not released until after, until the department receives specific adjudication that the person is competent. A medical report stating that the person is physically qualified to operate a motor vehicle safely is also required.

d. Suffers from syncope of any cause, any type of periodic or episodic loss of consciousness, or any paroxysmal disturbances of consciousness, including but not limited to epilepsy, until that person has not had an episode of loss of consciousness or loss of voluntary control for six months and then only upon receipt of a medical report favorable toward licensing.

(1) If a medical report indicates a pattern of only syncope, the department may license without a six-month episode-free period after favorable recommendation by the medical advisory board.

(2) If a medical report indicates a pattern of such episodes only when the person is asleep or is sequestered for sleep, the department may license without a six-month episode-free period.

(3) If an episode occurs when medications are withdrawn by a qualified medical professional, but the person is episode-free when placed back on medications, the department may license without a six-month episode-free period with a favorable recommendation from a neurologist.

(4) If a medical report indicates the person experienced a single nonrecurring episode, the cause has been identified, the qualified medical professional is not treating the person for the episode or a contributing health condition and the qualified medical professional believes the episode is unlikely to recur, the department may license without the six-month episode-free period with a favorable recommendation from a qualified medical professional. As used in this subparagraph, a “single nonrecurring episode” means an incident that is not caused by a health condition and there is no history of prior episodes or a health condition that may cause such an episode.

e. Must wear bioptic telescopic lenses to meet the visual acuity standard required for a license.

f. Is the named person on a certificate of noncompliance that has been received from child support services, until the department receives a withdrawal of the certificate of noncompliance or unless an application has been filed pursuant to Iowa Code section 252J.9.

605.3(2) When a medical report is required, a license will be issued only if the report indicates that the person is qualified to operate a motor vehicle safely. The department may submit the report to the medical advisory board for an additional opinion.

605.3(3) When the department receives evidence that an Iowa licensed driver has been adjudged incompetent or is not physically or mentally qualified to operate a motor vehicle safely, the department will suspend the license for incapability, as explained in rule 761—615.14(321), or deny further licensing, as explained in rule 761—615.4(321).

At each renewal accompanied by a favorable medical report, the department will issue a two-year driver's license with the same restriction.

(3) The department may remove the medical report requirement and issue a full-term driver's license. Consideration for removal of the requirement may include but is not limited to the following criteria:

1. Recommendation by a qualified medical professional.
2. The latest medical information on file with the department indicates that either of the following are true:

- The person has not had an episode of loss of consciousness or voluntary control and has not been prescribed medications to control such episodes during the 24-month period immediately preceding application for a license.

- The person has not had an episode of loss of consciousness or voluntary control during the ten-year period immediately preceding application for a license.

c. Financial responsibility. When a person is required under Iowa Code chapter 321A to have future proof of financial responsibility on file, the license restriction will read: "SR required." The license will be valid only for the operation of motor vehicles covered by the class of license issued and by the proof of financial responsibility filed.

d. Vision restriction. Restrictions relating to vision are addressed in 761—Chapter 604.

This rule is intended to implement Iowa Code chapter 321A and sections 321.177, 321.178, 321.180 through 321.180B, 321.186, 321.188, 321.189, 321.193, 321.194, 321.215, 321J.4 and 321J.20.

761—605.8(321) Credential term for a foreign national temporarily present in this state. A driver's license or nonoperator's identification card issued to a person who is a foreign national who is temporarily present in this state shall be issued only for the length of time the person is authorized to be present in the United States as verified by the department, not to exceed two years, pursuant to 6 CFR Section 37.21 effective January 1, 2024. However, if the person's lawful status has no expiration date, the driver's license will be issued for a period of no longer than one year.

This rule is intended to implement Iowa Code section 321.196; the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

761—605.9(307,321) Fees for driver's licenses. Fees for driver's licenses are specified in Iowa Code section 321.191 and this chapter. A license fee may be paid by cash, check, credit card, debit card, money order or an escrow account if approved by the department.

605.9(1) If the payment is by check, the check shall be for the exact amount of the fee and payable to: Treasurer, State of Iowa. An exception may be made when a traveler's check is presented.

605.9(2) One payment method may be used to pay fees for several persons, such as members of a family or employees of a business firm. One payment method may pay all fees involved, such as the license fee and the reinstatement fee.

605.9(3) An applicant who is on federal active duty or state active duty, a veteran with a permanent service-connected disability rating of 100 percent or a veteran who was issued an honorable discharge or general discharge under honorable conditions is eligible for a waiver of the fees for a driver's license as provided in Iowa Code section 321.191. An eligible applicant may qualify for more than one fee waiver.

a. An applicant may provide proof of eligibility for the fee waiver to the department in one of the following ways as applicable to the applicant's active duty, veteran or disability status:

(1) An active duty service member is to present an unexpired Armed Forces of the United States Geneva Conventions identification card, also known as a common access card (CAC), issued by the U.S. Department of Defense under 32 CFR Part 161. A federal or state military member who is a reservist may instead present an unexpired Uniformed Services identification card (USID) issued by the U.S. Department of Defense under 32 CFR Part 161 indicating a reserve affiliation.

(2) An applicant with a permanent service-connected disability rating of 100 percent is to present proof that the applicant is the subject of a certification of disability of 100 percent from the U.S. Department of Veterans Affairs.

(3) An applicant who has been discharged from military service is to present certification of release or discharge from active duty, DD Form 214, indicating that the applicant received an honorable discharge or a general discharge under honorable conditions.

b. An applicant who qualifies for the fee waiver under subparagraph 605.9(3)“a”(2) or 761—subparagraph 604.10(3)“a”(3) or both subparagraphs is to submit proof of eligibility only once unless the proof is invalid or not accepted by the department.

c. An applicant who qualifies for the fee waiver under subparagraph 605.9(3)“a”(2) or “a”(3) or both subparagraphs, who has presented proof of eligibility to the department during a previous license issuance transaction and who is otherwise eligible under subrule 605.15(6) or 605.15(7) to renew the applicant’s driver’s license electronically will be waived from the applicable fees during the electronic renewal. An applicant who qualifies under subparagraph 605.9(3)“a”(1) will not receive the applicable fee waivers if the applicant chooses to renew the driver’s license electronically under subrule 605.15(6) or 605.15(7).

This rule is intended to implement Iowa Code sections 307.12(1)“j” and 321.191.

761—605.10(307,321) Duplicate license.

605.10(1) *Lost, stolen or destroyed license.* Prior to replacing a valid license that is lost, stolen or destroyed, the department will verify the licensee’s full legal name, date of birth and social security number and collect the replacement fee. A licensee subject to 761—paragraph 601.5(2)“b” shall provide the applicant’s U.S. Customs and Immigration Services number, which must be verified by the department. The department may investigate or require additional information as may be reasonably necessary to determine that the licensee’s identity matches the identity of record and will not issue the replacement license if the licensee’s identity is questionable, cannot be determined or otherwise does not match the identity of record.

605.10(2) *Voluntary replacement.* The department will issue a duplicate of a valid license to an eligible licensee if the license is surrendered to the department and the replacement fee is paid. Voluntary replacement includes but is not limited to:

- a. Replacement of a damaged license.
- b. Replacement to change the current residential address on a license.
- c. Replacement to change the name on a license.
- d. Replacement to change the date of birth on a license.
- e. Issuance of a license without the words “under 21” to a licensee who is 21 years of age or older.
- f. Issuance of a license without the words “under 18” to a licensee who is 18 years of age or older. (If the licensee is under 21 years of age, the words “under 21” will replace the words “under 18.”)
- g. Issuance of a noncommercial driver’s license to an eligible person who has been disqualified from operating a commercial motor vehicle.
- h. Replacement of a valid license before its expiration date to obtain a license that may be accepted for federal identification purposes under 6 CFR Part 37 effective January 1, 2024 (a REAL ID driver’s license).
- i. Replacement to add a veteran designation to the license.

605.10(3) *Replacement upon attaining the age of 21.* A licensee, upon attaining the age of 21, who is otherwise eligible for a driver’s license is eligible to electronically apply for a replacement driver’s license under this rule for the unexpired months of the license, regardless of whether the most recent issuance occurred electronically.

a. Except for the requirements in subparagraphs 605.15(6)“a”(1) and “a”(2), the licensee must meet the eligibility requirements listed in paragraph 605.15(6)“a” or 605.15(7)“a” to replace the license electronically in addition to the following criteria:

- (1) The licensee must be at least 21 years old.
- (2) The licensee must currently hold a driver’s license marked “under 21” as provided in Iowa Code section 321.189.

b. Notwithstanding any other provision of this chapter to the contrary, the department may accept an electronic replacement application if the licensee seeks replacement of a special instruction permit or a license with a single “J” restriction accompanied by a “9” restriction.

This rule is intended to implement Iowa Code sections 307.12(1)“j,” 321.13, 321.189, 321.195 and 321.208; the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

761—605.11(307,321) Address changes.

605.11(1) A licensee’s duty to notify the department of a change in the licensee’s mailing address pursuant to Iowa Code section 321.182 shall occur by one of the following methods:

a. Submitting the address change to the address listed in subrule 605.1(2) using Form 430012 or a written and signed statement listing the licensee’s full name, date of birth, driver’s license number and new mailing address.

b. Completing the address change on the department’s website at www.iowadot.gov/mvd/driverslicense/changes-or-corrections.

c. Appearing in person to change the mailing address at any driver’s license service center.

605.11(2) Parents or legal guardians may provide written notice of a mailing address change on behalf of the person’s minor children.

605.11(3) The department may use U.S. Postal Service address information to update the department’s address records.

This rule is intended to implement Iowa Code sections 307.12(1)“j,” 321.182 and 321.184.

761—605.12(307,321) License extension.

605.12(1) *Six-month extension.* An Iowa resident may apply for a six-month extension of a noncommercial license if the licensee meets all of the following criteria:

a. Has a valid license.

b. Is eligible for further licensing.

c. Is temporarily absent from Iowa or is temporarily incapacitated at the time for renewal.

605.12(2) *Procedure.* Acceptable methods to apply for an extension by an eligible licensee include submitting Form 430027 to the department or to a driver’s license service center or applying by letter to the address in subrule 605.1(2).

a. A six-month extension will be added to the expiration date of the license. When the licensee appears to renew the license, the expiration date of the renewed license will be computed from the expiration date of the original license, notwithstanding the extension.

b. The department will allow only two six-month extensions.

This rule is intended to implement Iowa Code sections 307.12(1)“j” and 321.196.

761—605.13(307,321) Military extension.

605.13(1) *Application.* A person who qualifies for a military extension of a valid license under Iowa Code section 321.198 and who wishes to have a record of the person’s military service extension recorded in the department’s computerized issuance system shall apply to the department by presenting the person’s unexpired CAC or by submitting Form 430081 signed by the person’s commanding officer to verify the military service and accompanied by a copy of the person’s CAC or current active duty orders to the address in subrule 605.1(2). Upon approval, the department will update the department’s electronic records with the person’s military exception status and issue the person a letter explaining the provisions of Iowa Code section 321.198 regarding military extensions.

605.13(2) *Renewal of license after military extension.* When an applicant renews a license after a military extension, the department may require the applicant to provide documentation of both the military service and the date of separation from military service. In accordance with Iowa Code section 321.198(1)“b,” the applicant is to pay all applicable fees to renew the license. The applicant may also be waived from the applicable knowledge or driving skills examination in accordance with the provisions of 761—paragraphs 604.21(2)“c” and 604.31(2)“e” and 761—subrules 607.27(5) and 607.28(6).

605.13(3) Reinstatement after sanction. A person with a military extension whose license has been canceled, suspended or revoked shall comply with the requirements of rule 761—615.24(321,321A,321J) to reinstate the license.

This rule is intended to implement Iowa Code sections 307.12(1)“j” and 321.198.

761—605.14(321) Fee adjustment for upgrading license. The fee to upgrade a driver’s license will be computed on a full-year basis. The fee is charged for each year or part of a year between the date of the change and the expiration date on the license.

605.14(1) The fee to upgrade a driver’s license from one class to another is determined by computing the difference between the current license fee and the new license fee as follows:

- a. Converting noncommercial Class C to Class D—\$4 per year of new license validity.
- b. Converting Class M to Class D with a motorcycle endorsement—\$4 per year of new license validity.
- c. Converting Class M to noncommercial Class C with a motorcycle endorsement—\$2 one-time fee.

605.14(2) The fee to add a privilege to a driver’s license is computed per year of new license validity as follows:

Noncommercial Class C (full privileges from a restricted Class C)	\$4 per year
Motorized bicycle	\$4 per year
Minor’s restricted license	\$4 per year
Special minor’s restricted license	\$4 per year
Motorcycle instruction permit	\$2 per year
Motorcycle endorsement	\$2 per year

This rule is intended to implement Iowa Code sections 321.189 and 321.191.

761—605.15(307,321) License renewal.

605.15(1) A licensee who wishes to renew a driver’s license is to apply to the department and, if required, pass the appropriate examination.

605.15(2) A valid noncommercial license may be renewed within 180 days before the expiration date. The department for good cause may renew a noncommercial license earlier, except the department will not renew a REAL ID driver’s license issued under rule 761—601.7(321) earlier than 180 days before the expiration date if such a renewal would result in noncompliance under 6 CFR Section 37.5(a) effective January 1, 2024.

605.15(3) If the licensee’s current residential address, name or date of birth has changed since the previous license was issued, the licensee shall:

- a. Notify the department to establish the current residential address.
- b. Comply with the requirements of 761—subrule 601.5(5) to establish a name change.
- c. Comply with the requirements of 761—subrule 601.5(6) to establish a change of date of birth.

605.15(4) A licensee who has not previously been issued a license that may be accepted for federal identification purposes under 6 CFR Part 37 effective January 1, 2024 (a REAL ID driver’s license), and wishes to obtain a REAL ID driver’s license upon renewal must comply with the requirements of rule 761—601.5(321) to obtain a REAL ID driver’s license upon renewal.

605.15(5) A licensee who is a foreign national who is temporarily present in this state must provide documentation of lawful status as required by 761—subrule 601.5(4) at each renewal.

605.15(6) An applicant who meets the eligibility criteria may apply for electronic renewal of a noncommercial driver’s license.

- a. Eligibility criteria include the following:
 - (1) The applicant is at least 18 years of age but not yet 70 years of age.

(3) The applicant’s driver’s license has not been expired for more than one year.

(4) The department’s records show the applicant is a U.S. citizen.

Q—No interstate or freeway driving

b. Notwithstanding any other provision of this subrule to the contrary, the department may accept an electronic renewal application if the license contains a single “J” restriction accompanied by a “7” or “Y” restriction.

c. The department may deny electronic renewal and require the applicant to apply in person for renewal at a driver’s license service center if it appears to the department that the applicant may have a physical or mental condition that may impair the applicant’s ability to safely operate a motor vehicle, even if the applicant otherwise meets the criteria in paragraph 605.15(6) “*a.*”

d. An applicant who has not previously been issued a driver’s license that is compliant with the REAL ID Act of 2005, 49 U.S.C. Section 30301 note, implemented in 6 CFR Part 37 effective January 1, 2024 (a REAL ID driver’s license), cannot request a REAL ID driver’s license by electronic renewal.

605.15(7) Subject to the requirements in paragraphs 605.15(6) “*c.*” and “*d.*” an applicant who meets the following eligibility criteria may apply for electronic renewal of a commercial driver’s license:

a. The applicant is otherwise eligible to renew a commercial driver’s license and meets the same eligibility requirements for renewing a noncommercial driver’s license listed in paragraph 605.15(6) “*a.*” to renew the license electronically, except that numbered paragraph 605.15(6) “*a.*”(9)“3” does not apply if the applicant is adding or removing the “K” restriction from the license at the time of renewal.

This rule is intended to implement Iowa Code sections 307.12(1) “*j.*” 321.186, 321.188 and 321.196; the REAL ID Act of 2005 (49 U.S.C. Section 30301 note) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

761—605.16(307,321) Graduated driver’s license upgrades. An applicant subject to the graduated driver’s license requirements under Iowa Code section 321.180B who is otherwise eligible for a driver’s license may electronically apply to upgrade the applicant’s driver’s license.

605.16(1) Except for the requirements in subparagraphs 605.15(6)“a”(1) and “a”(2), an eligible applicant must meet both the requirements listed in paragraph 605.15(6)“a” and the following criteria:

This rule is intended to implement Iowa Code sections 307.12(1)“j,” 321.180B and 321.194.

**DEPARTMENT OF TRANSPORTATION
COMMISSION ORDER**

Division/Bureau/Office Motor Vehicle Division Order No. MV-2026-22
 Submitted by Sara Siedsma Phone No. 515-237-3057 Meeting Date September 9, 2025
 Title Administrative Rules—761 IAC Chapter 625, Driver’s Licenses for Undercover Law Enforcement Officers

DISCUSSION/BACKGROUND:

The rulemaking proposes to rescind and repromulgate Chapter 625 in accordance with Executive Order 10. Proposed Chapter 625 complies with Iowa Code section 321.189A, which requires the Department to adopt rules to administer undercover driver’s licenses. An undercover driver’s license can be issued to peace officers for use in the line of duty when a fictitious identity is necessary.

The public comment period ended on June 18, 2025. The Department received comments from one person. The thirteen distinct comments included the commenter’s beliefs that: undercover licenses violate REAL ID requirements; the rules are vague; the rules violate open records laws; license issuance is not limited to sworn law enforcement officers; issuance of concurrent licenses is not prohibited; sufficient protocols aren’t in place regarding surrendering the license; sufficient time limitations are not set for the license; requiring the application to be signed by the head of the law enforcement agency could be problematic for larger agencies; there are no details or timeframes for department’s investigation of the application; there is no coordination between DOT and DPS if an application is denied; the rules don’t permit undercover licenses to be issued to applicants employed in other states; there is no indicator on the license distinguishing it from a regular license; and the department has incorrectly interpreted Executive Order 10 regarding when a rule chapter may be changed.

The Department responded in writing to all the commenter’s concerns, including pointing to areas of Iowa Code that currently address many of the issues raised. Additionally, the Department plans to make the following change to the chapter in response to the comments:

- Amend subrule 625.1(1)(d) to allow a designee of the head of the applicant’s law enforcement agency to sign the application.

A complete summary explaining the proposed rulemaking is included in the attached Notice of Intended Action.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended that the Commission approve repromulgating Chapter 625 with the above-noted changes.

ITEM 1. Rescind 761—Chapter 625 and adopt the following **new** chapter in lieu thereof:

CHAPTER 625 DRIVER'S LICENSES FOR UNDERCOVER LAW ENFORCEMENT OFFICERS

761—625.1(321) Application.

625.1(1) The application for an undercover driver's license must:

- a. Be in writing.
- b. Include a fictitious name as well as the applicant's true identity.
- c. Include a statement of need.
- d. Be signed by both the applicant and the head of the law enforcement agency employing the applicant.
- e. Be submitted to the Motor Vehicle Division, Iowa Department of Transportation, 6310 SE Convenience Boulevard, Ankeny, Iowa 50021.

625.1(2) All applications will be investigated by the department. An investigation will include but not be limited to a 50-state check of the fictitious name and verification of the applicant's employment with the sponsoring law enforcement agency.

625.1(3) The department will determine if the undercover license is necessary.

625.1(4) The department may approve or deny the application based on the results of the investigation and the determination of necessity.

625.1(5) An applicant employed by a state or local law enforcement agency that is located in a state other than Iowa is not eligible for an undercover driver's license issued under this chapter.

761—625.2(321) Issuance and cancellation.

625.2(1) To obtain an undercover license after the application is approved, the applicant is to appear at the Motor Vehicle Division offices, Iowa Department of Transportation, 6310 SE Convenience

Boulevard, Ankeny, Iowa, with all applicable documents necessary for the issuance of an undercover license.

625.2(2) In accordance with the provisions in 6 CFR Section 37.11 effective as of January 1, 2024, the requirements under rule 761—601.5(321) are waived for the issuance of an undercover license.

625.2(3) An undercover license may not be renewed. The department may issue a subsequent new undercover license to an applicant who submits a new application and continues to meet the requirements of rule 761—625.1(321).

625.2(4) When the need for an undercover license no longer exists or if the licensee ceases to be employed by the sponsoring law enforcement agency, the licensee shall surrender the undercover license to the motor vehicle division for cancellation.

761—625.3(22,80G,321) Records.

625.3(1) Applications, forms and other records of the department that establish the true identity of an applicant or licensee under this chapter are confidential public records under Iowa Code sections 22.7, 80G.3 and 321.189A. The fictitious license information itself is not confidential, except as provided in Iowa Code section 321.11.

625.3(2) The open public records of the department will not contain any information or indicator that would distinguish any undercover license issued under this chapter from any other driver's license issued by the department.

625.3(3) An undercover license issued under this chapter will appear on the driver's license record system.

These rules are intended to implement Iowa Code sections 22.7, 80G.3, 321.189, 321.189A and 321.196 and 6 CFR Section 37.11 effective as of January 1, 2025.

Division/Bureau/Office Motor Vehicle Division Order No. MV-2026-23
 Submitted by Sara Siedsma Phone No. 515-237-3057 Meeting Date September 9, 2025
 Title Administrative Rules-761 IAC Chapter 630, Nonoperator's Identification

DISCUSSION/BACKGROUND:

The rulemaking proposes to rescind and repromulgate Chapter 630 in accordance with Executive Order 10. Proposed Chapter 605 complies with Iowa Code section 321.190 and the federal REAL ID Act, which require the Department to adopt rules to issue nonoperator's identification cards and administer REAL ID nonoperator's identification cards in compliance with federal regulations. The proposed chapter also implements 2025 Iowa Acts, Senate File 418, which added a new definition of "sex" in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth and removed the ability for a person to obtain an amended Iowa birth certificate reflecting a change in the person's sex under Iowa Code section 144.23. Due to enactment of these law changes, a person is no longer able to change the sex on the person's nonoperator's identification card to reflect a sex different than what is listed on the person's identity document.

The public comment period ended on July 1, 2025. The Department received comments from One Iowa. The comments: opposed the rule change related to eliminating the ability to change the person's sex designation on the identification card stating it relies on a medically inaccurate understanding of sex; asserted that the rule is discriminatory and undermines the goal of making people easier to identify; stated that under the rule, a person may both legally and medically be a sex that is not reflected on their identification card because their actual sex is different than the one that they were assigned at birth and there are a variety of conditions that can cause someone's sex to not be readily apparent at birth; asserted that the rule will lead to conflicting forms of identification; indicated the belief that the rule will create a parallel process by which those born in neighboring states are going to have access to more accurate forms of identification than those born in the state of Iowa and urged the DOT to revert to the previous process to allow for more accurate identification.

The Department responded in writing to the commenter, pointing out that the rule is implementing statute and that under Iowa Code chapter 17A, an administrative rule cannot conflict with statutory provisions or amend or nullify legislative intent. Accordingly, the Department cannot leave in place in its rules a process by which a person can amend the sex on their identification card to something different than what is listed on their identity document.

A complete summary explaining the proposed rulemaking is included in the attached Notice of Intended Action.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended that the Commission approve repromulgating Chapter 630.

TRANSPORTATION DEPARTMENT[761]

Notice of Intended Action

**Proposing rulemaking related to nonoperator’s identification
and providing an opportunity for public comment**

The Transportation Department hereby proposes to rescind Chapter 630, “Nonoperator’s Identification,” Iowa Administrative Code, and to adopt a new chapter with the same title.

Legal Authority for Rulemaking

This rulemaking is proposed under the authority provided in Iowa Code sections 307.12(1)“j” and 321.190.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code sections 321.13, 321.181, 321.189, 321.190, 321.195 and 321.216 through 321.216C; the REAL ID Act of 2005 (49 U.S.C. Section 30301) as amended by the REAL ID Modernization Act, H.R. 133, Division U, Title X; and 6 CFR Part 37.

Purpose and Summary

This rulemaking proposes to repromulgate Chapter 630 in compliance with Executive Order 10. Proposed Chapter 630 complies with Iowa Code section 321.190 and the federal REAL ID Act, which require the Department to adopt rules to administer nonoperator’s identification cards and to administer REAL ID nonoperator’s identification cards in compliance with federal regulations.

Regulatory Analysis

A Regulatory Analysis for this rulemaking was published in the Iowa Administrative Bulletin on March 19, 2025. A public hearing was held on the following date(s):

- April 11, 2025

The Department received no comments. The Department is making additional changes to the chapter to incorporate changes needed due to 2025 Iowa Acts, Senate File 418, which will take effect on July 1, 2025. Senate File 418 adds a new definition of “sex” in Iowa Code section 4.1A referring to sex as male or female as observed or clinically verified at birth. Senate File 418 also removes the process of obtaining an amended birth certificate to reflect a change in a person’s sex designation from Iowa Code section 144.23. Due to these Iowa Code changes, a person will no longer be able to change the sex designation on the person’s nonoperator’s identification card to reflect a sex designation different than what is listed on the person’s identity document, thus necessitating the conforming changes to this chapter.

Fiscal Impact

This rulemaking has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rulemaking, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

Public Comment

Any interested person may submit written or oral comments concerning this proposed rulemaking, which must be received by the Department no later than 4:30 p.m. on July 1, 2025. Comments should be directed to:

Review by Administrative Rules Review Committee

The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

The following rulemaking action is proposed:

However, if the person's lawful status has no expiration date, the card shall be issued for a period of no longer than one year pursuant to 6 CFR Section 37.21(b)"1."

An applicant for a REAL ID nonoperator's identification card is subject to a mandatory facial image capture that meets the requirements of 6 CFR Section 37.11(a). A REAL ID nonoperator's identification card may not be issued, reissued or renewed except as permitted in 6 CFR Part 37 and may not be issued, reissued or renewed by any procedure, in any circumstance, to any person or for any term prohibited under 6 CFR Part 37. The information on the front of any REAL ID nonoperator's identification card must include all information and markings required by 6 CFR Section 37.17. 630.2(8) A nonoperator's identification card issued to a foreign national who is temporarily present in this state shall include the following statement on the face of the card: "limited term."

630.2(9) A nonoperator's identification card that is not issued as a REAL ID nonoperator's identification card as described in subrule 630.2(7) is to include the following statement on the face of the card: "not for REAL ID Act purposes" as required by 6 CFR Section 37.71 and any subsequent guidance issued by the U.S. Department of Homeland Security.

630.2(10) The department may determine means or methods for electronic renewal of a nonoperator's identification card.

1. Name.
2. Date of birth.

b. An applicant who has not previously been issued a REAL ID nonoperator's identification card may not request a REAL ID nonoperator's identification card by electronic renewal.

630.2(11) An applicant for a nonoperator's identification card is to surrender all other driver's licenses and nonoperator's identification cards, other than a temporary permit held under Iowa Code section 321.181. This includes any driver's licenses or nonoperator's identification cards issued by a state other than Iowa or a foreign jurisdiction unless otherwise provided in a letter of understanding or other written memorialization of reciprocity or understanding. An applicant who renews a nonoperator's identification card electronically pursuant to subrule 630.2(10) is to destroy the previous nonoperator's identification card upon receipt of a renewed nonoperator's identification card.

A cardholder subject to 761—paragraph 601.5(2) "b" is to provide the applicant's U.S. Customs and Immigration Services number, which will be verified by the department. The department may investigate or require additional information as may be reasonably necessary to determine that the cardholder's identity matches the identity of record and will not issue the replacement card if the cardholder's identity is questionable, cannot be determined or otherwise does not match the identity of record. If the cardholder's current residential address, name or date of birth has changed since the previous card was issued, the cardholder is to comply with 761—subrule 605.11(2).

630.3(2) *Voluntary replacement.* To voluntarily replace a nonoperator's identification card, the cardholder is to surrender to the department the card to be replaced. The reasons a card may be voluntarily replaced and any additional supporting documentation required are the same as those listed in 761—paragraphs 605.11(2) "a" through "j."

 Title Revitalize Iowa's Sound Economy (RISE) Application – Perry

DISCUSSION/BACKGROUND:

The city of Perry submitted a RISE Immediate Opportunity application requesting a grant to assist in the reconstruction of approximately 2,700 feet of Soumas Avenue as well as turn lanes and a traffic signal at the intersection of Soumas Avenue and Iowa 141 all located on the southeast side of town. The Soumas Avenue reconstruction is necessary to provide access to the proposed site of JBS USA and ADR Group and the turn lanes and traffic signal at Iowa 141 are necessary to provide improved access to these developments as well as other economic development in the certified site area. Therefore, the application was evaluated as both a RISE Immediate Opportunity and a RISE Certified Site Local Development application. This project is anticipated to be completed by October 2026.

This project is necessary to provide improved access to the proposed site of Swift Pork Company (JBS USA), a fresh pork producer, and ADR Group, a producer of axles and suspensions for agricultural equipment. These companies conform to the legislative requirements of the RISE program.

The roadway improvement will support a commitment of the creation of 207 new full-time jobs out of 285 RISE eligible created jobs and \$152,373,655 in associated capital investment.

The total cost of this portion of the project is \$3,618,275 and a RISE grant of \$2,894,620 is recommended. This results in a RISE cost per job assisted of \$13,984 and a total capital investment of \$52.64 for each RISE dollar recommended.

The remaining roadway improvements will also provide improved access for the Perry Industrial Park, an Iowa Economic Development Authority certified site area of more than 156 acres. The certification for this site expires April 7, 2027. The total cost of this improvement is \$3,217,744 and a RISE grant of \$1,930,646 is recommended.

PROPOSAL/ACTION RECOMMENDATION:

 Title Revitalize Iowa's Sound Economy (RISE) Application – Altoona

DISCUSSION/BACKGROUND:

The city of Altoona submitted a RISE Immediate Opportunity application requesting a grant to assist in the widening of approximately 975 feet of 20th Avenue NW and I-80 ramp return; the construction of approximately 1,375 feet of 20th Avenue NW and approximately 2,960 feet of 33rd Street NW; the paving of approximately 2,620 feet of 42nd Street; intersection improvements at 20th Avenue NW and 25th Street NW and also 20th Avenue NW and Hubbell Avenue; and a turn lane at 34th Avenue NW and 42nd Street NW all located on the northwest side of town. This project is anticipated to be completed by June 2027.

Because this project will provide improved access totaling more than 89 acres for industrial purposes and to maximize RISE support for this project, staff evaluated the application as a RISE Local Development project.

The evaluation and rating for the project will be discussed.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended the Commission, based on the capital investment commitment and potential for future job creation, reclassify the project as a RISE Local Development project in the February 2025 round of applications and award a RISE grant of \$5,965,141 or up to 50 percent of the total RISE-eligible project cost, whichever is less, from the city share of the RISE Fund.
