Register an IMS account

Notes:

- IMS is a Single Sign On service provided by Bentley
- IMS is the only authentication method supported by the mobile app (will be required in the future for the web app)
- Contact your site administrator to determine if your organization supports IMS login

Requirements

You must have a <u>user account registered in the web product</u>
You must **use the same email address** to register an IMS account as your web account.

Register on web

1. Navigate to https://imsoidc.bentley.com/
2. Click Don't have an account? Register now.

3. Fill out the registration form (make sure to use the same email address that is registered on web)
4. Click **Create Account**
5. Check your email and enter the verification code to confirm account registration
6. **This email/password is what you'll use to log in to the mobile app**
