

Add a Bid Estimate

This chapter will cover Adding a Bid Estimate to your project.

Adding a Bid Estimate

Review the list of Phase Numbers and select the phase to add an estimate to. If the Phase is not in the list, the user can add it by selecting “New” from the menu at the top of the screen. (See Chapter 5.2.1.1.5 Update A Bid Estimate MW to update an existing bid estimate)

The screenshot displays the Masterworks Cloud interface. On the left is a navigation menu with options like Schedule, Documents, Budget Management, and Bid Estimate Information. The main area shows the 'ESTIMATE LIST' table. At the top of this table, there is a toolbar with a 'New' button (highlighted with a red box) and other options like 'Restore' and 'More'. The table itself has columns for Estimate ID, Estimate Name, Phase Number, Description, and Estimate Type. The 'Phase Number' column is highlighted with a red box, showing a list of phase numbers including TJ-030-1(195)--2M-43, NHSX-030-1(185)--3H-43, and NHSN-030-1(176)--2R-43.

Estimate ID	Estimate Name	Phase Number	Description	Estimate Type
195	HMA Resurfacing	TJ-030-1(195)--2M-43	Harrison County	
194	HMA Resurfacing	TJ-030-1(194)--2M-43	City of Missouri Valley	
185	Lighting	NHSX-030-1(185)--3H-43	2021 Annual Estimate	Engineer's Estimate
184	Traffic Signs	NHSX-030-1(184)--3H-43	2021 Annual Estimate	Engineer's Estimate
183	Unknown Pavement - ...	NHSX-030-1(183)--3H-43	2021 Annual Estimate	
182	Bridge-Unspecified	NHSX-030-1(182)--3H-43	2021 Annual Estimate	
180	Grading	NHSX-030-1(180)--3H-43	2021 Annual Estimate	Plan Items
176	Right Of Way	NHSN-030-1(176)--2R-43	2021 Annual Estimate	

To add a new estimate, you will need to select the Phase Number, the Task, and the Estimate Type. Then save the estimate under the “More” dropdown at the top of the screen.

The screenshot displays the 'CREATE ESTIMATE' interface in Masterworks Cloud. The left sidebar, under the 'PLANNING' tab, shows a search bar and a list of navigation items. The 'Bid Estimate Information' section is expanded, showing a tree structure with 'Plan Items' selected. The main form area contains the following fields:

- Estimate ID ***: 183
- Estimate Name ***: Unknown Pavement - New
- Phase Number ***: NH5X-030-1(183)--3H-43 (highlighted with a red box)
- Task**: B02 (highlighted with a red box)
- TPMS ID**: (empty)
- Description**: (empty)
- Estimate Type**: Plan Items (highlighted with a red box)
- Measurement System ***: IS System
- Standard Pay Item list**: Bid Items
- Confidence Level**: High
- Estimate Total in \$**: (empty)
- Created by**: (empty)
- Date Created**: 10/07/2024

The next step will be to add edit or delete containers see Chapter (5.2.1.2) for details.

Chronology of Changes to Manual Section:

5.2.1.1 Add a Bid Estimate

11/07/2024	NEW
07/28/2025	Removed broken hyperlinks.
