

Update a Bid Estimate MW

This chapter will cover Updating a Bid Estimate for your project.

When updating an existing estimate, select the estimate you want to update and select Edit at the top of the screen.

The Task and Description can also be updated or changed if necessary.

The screenshot displays the 'EDIT ESTIMATE' interface in Masterworks Cloud. The left sidebar shows a navigation menu with 'PLANNING' and 'EDIT ESTIMATE' tabs. The 'EDIT ESTIMATE' form contains the following fields:

- Estimate ID ***: 180
- Estimate Name ***: Grading
- Phase Number ***: NHSX-030-1(180)--3H-43
- Task**: D05
- TPMS ID**:
 - Description**: 2024 Annual Estimate
- Estimate Type**: Plan Items
- Measurement System ***: IS System
- Standard Pay Item list**: Bid Items
- Confidence Level**: Fair
- Estimate Total in \$**: 0.00
- Created by**: Danny Zeimen
- Date Created**: 11/17/2021

With the estimate updated you are ready to Add, Edit or Delete containers.
(See chapter 5.2.1.2 Add, Edit, and Delete Containers)
