Updated June 11, 2025	IOWA RAILROAD ABANDONMENTS LOG												
The state of Iowa has no regulatory authority concerning railroad abandonments. The federal Surface Transportation Board, (STB) is the only entity with regulatory authority pertaining to railroad abandonments.													
<b>NOTES:</b>	1. Docket Numbers preceded by "IDOT" are fictitious and were created for computer identification only.					4. The Surface Transportation Board assumed responsibility for abandonments from the Interstate Commerce Commission in 1995. Dockets dated 1996 or later are available at <a href="http://stb.dot.gov">http://stb.dot.gov</a>							
	2. Dates flowed by "~" are fictitious and were created for computer use only. However, the year shown is correct.					6. Initial effective date may be extended. Final abandonment or acquisition for rail or trails use may be significantly later. Refer to docket at <a href="http://www.stb.dot.gov">www.stb.dot.gov</a>							
	3. CITU = Certificate Of Interim Trails Use under provisions of the National Trails System Act adopted by Congress in 1983					7. For dockets prior to 1996, the Iowa DOT may have microfilmed records if indicated
