

FY 2025 Public Transit Infrastructure Grant Program

Brent Paulsen
Transit Programs Manager

Commission Workshop August 12, 2024

Public Transit Infrastructure Grant Program

- Program created by 2006 General Assembly
- Funds vertical infrastructure projects for public transit
- All 35 public transit systems are eligible

Project Evaluation Criteria

- No more than 40-percent of the appropriation can be awarded to an individual transit system
- Structural integrity of existing facilities
- Safety enhancements to existing facilities
- New facilities that enhance the life of the transit fleet or optimize transit service
- Projects should be “shovel ready” and capable of completion in 18 months

Available Funding and Application Summary

- Annual appropriation: \$1,500,000
- Underrun/withdrawals: \$220,923
- Funds available: \$1,720,923
- Total number of projects: 5
- Total project costs: \$2,427,000
- Total amount requested: \$1,873,600

Table of Projects Recommended For Award

Project Name	Sponsor	Total Project Cost	Requested Amount (% of Total Project Cost)	Recommended Amount (% of Total Project Cost)
