MAP DESCRIPTION

IOWA PASSENGER TRANSPORTATION SERVICES

Purpose

This page provides a text-based description of the statewide passenger transportation map so all users can understand the content without relying on the graphic.

Coverage and Extent

Geographic Scope: Entire State of Iowa, showing county boundaries and passenger transportation services.

Regional transit agencies (gray numbers): Large gray numbers identify the 16 regional transit agencies responsible for public transportation service in each area of Iowa.

What the Map Shows

Urban Transit Systems are shown in Sioux City, Council Bluffs, Fort Dodge, Ames, Des Moines, Marshalltown, Mason City, Waterloo, Cedar Rapids, Iowa City, Coralville, Dubuque, Clinton, Davenport, Muscatine, Ottumwa, and Burlington.

Amtrak service follows the rail corridor across southern Iowa. Stations shown on the map include Creston, Osceola, Ottumwa, Mount Pleasant, Burlington, and Fort Madison.

Commercial airport symbols are shown near Sioux City, Fort Dodge, Mason City, Des Moines, Waterloo, Cedar Rapids, Dubuque, and Burlington.

Jefferson Lines routes (green): Intercity bus service connecting communities across western, northern, central, and southern Iowa, including Sioux City, Council Bluffs, Des Moines, Mason City, Waterloo, Dubuque, Burlington, and Osceola.

Greyhound routes (blue): Intercity bus service linking major Iowa cities, primarily along the I-80 and I-35 corridors, including Council Bluffs, Des Moines, Ames, Cedar Rapids, Iowa City, Davenport, Burlington, Ottumwa, and Fort Madison.

Dodge Area Rapid Transit routes (orange): Regional transit service centered on Fort Dodge and extending east along the U.S. Highway 20 corridor.
