HMA I, PCC II and Erosion Control Updates

HMA Level I, PCC Level II and Erosion Control Updates **will no longer be required for recertifcation.** Update classes will continue to be offered online, but are for information only.

We strongly encourage taking update classes every year, if possible. Changes and important new information are presented that could affect how you do your job.

Updates will be offered online. If an individual plans on taking the HMA I, PCC II, or the Erosion Control update online, they will need to visit here.
