

Share the Road

Show your love for cycling and help make the roads safer for everyone. Transform your car into a bicycling billboard and remind others to share the road every time you drive. The Share the Road specialty license plate is available for purchase at any county treasurer's office. Funding from the plate is directed to the Iowa

Bicycle Coalition for safety education and motorist awareness.

Numbered plates are available for \$35 with a \$10 annual renewal fee. Personalized plates with up to 5 characters are available for \$60 with a \$15 annual renewal fee.

Just so you know

The primary purpose of this transportation map is to point out some of Iowa's major trail routes and identify traffic levels on all paved roadways so that bicyclists can select routes appropriate for their skill levels.

By law, bicyclists are not allowed on Iowa's interstate highways, or where otherwise prohibited. Bicyclists may want to inquire locally about specific city ordinances that prohibit bicycles.

Riders assume the risk for their own safety when traveling on the state's highways, roadways and trails.

Please Note: The Iowa DOT publishes the Iowa Transportation Map for Bicyclists as an aid to bicyclists for both recreational and transportation purposes. This statewide map shows hundreds of miles of multi-use trails that pass through woodlands, prairies and parks – all highlighting the beauty of Iowa's landscapes. In addition, traffic levels are indicated for all paved roadways so bicyclists can choose the road routes that match their level of riding experience to enhance safety. The unpredictable change of traffic, road, and weather conditions will require the bicyclists to constantly review all roads for suitability.

Although the Iowa DOT has made a reasonable effort to ensure that the information contained in this map is correct as of the date of publication, the actual conditions riders encounter may vary, and the Iowa DOT makes no warranties for its accuracy. The Iowa DOT assumes no liability for personal injuries or property damage.
