Submitted by Melissa Spiegel Phone No. 515-237-3010 Meeting Date July 9, 2019

Title Administrative Rules — 761 IAC 600, General Information; 761 IAC 602, Classes of Driver's Licenses; Chapter 604, License Examination; Chapter 605, License Issuance; and Chapter 607, Commercial Driver Licensing

DISCUSSION/BACKGROUND:

The proposed rule making makes technical changes to Chapters 600 and 605 by relocating rules to gather all the rules relating to eligibility and ineligibility for issuance of a driver's license into Chapter 605. The proposed amendments update the definition of "qualified medical professional" to comply with the Iowa Code and amend subrule 605.11(2) to align with department practice to require a licensee who is replacing a license to notify the department of a residential address change, but not require the licensee to provide two forms of proof of address.

The rulemaking also rescinds and does not transfer existing subrule 600.4(9) to Chapter 605 because 2019 Iowa Acts, Senate File 304, section 3, eliminated the Iowa College Student Aid Commission's authority to issue a certificate of noncompliance and trigger a license suspension for failure to satisfy student debt by repealing Iowa Code sections 261.121 through 261.127. It did not make sense for the department to transfer and perpetuate a subrule that will no longer be authorized beginning July 1, 2019.

Other proposed amendments make minor updates to Chapters 600 and 605 and make conforming amendments to rule citations in Chapters 602, 604 and 607.

A complete summary explaining the proposed amendments is included in the attached Notice of Intended Action.

The public comment period ended June 25. The department did not receive any public comments or requests for oral presentations.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended that the Commission approve the rule amendments included in the attached Notice of Intended Action.

TRANSPORTATION DEPARTMENT [761]

Notice of Intended Action

The Department of Transportation hereby proposes to amend Chapter 600, “General Information,” Chapter 602, “Classes of Driver’s Licenses,” Chapter 604, “License Examination,” Chapter 605, “License Issuance,” and Chapter 607, “Commercial Driver Licensing,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code sections 307.12, 321.189 and 321.445.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 321.176, 321.177, 321.182, 321.189, 321.196 and 321.445, and 2019 Iowa Acts, Senate File 304, section 3.

Purpose and Summary

The proposed rule making makes technical changes to Chapters 600 and 605 to relocate rules relating to persons exempt from driver’s licensing requirements and persons not to be licensed that are currently found in Chapter 600, “General Information,” to Chapter 605, “License Issuance.” The goal of the proposed relocation of the affected rules from Chapter 600 to Chapter 605 is to gather all the rules relating to eligibility and ineligibility for issuance of a driver’s license into Chapter 605, and to save the reader from having to go to multiple chapters to review pertinent information related to driver’s license issuance.

In addition to relocating rules from Chapter 600 to Chapter 605, the proposed amendments update the definition of “qualified medical professional” to reference an advance registered nurse practitioner being “licensed” with the Board of Nursing, rather than “registered,” as the term “licensed” matches the terminology used in the definition section for the Board of

Nursing in Iowa Code section 152.1. The proposed amendments also amend subrule 605.11(2), which addresses criteria for replacing a driver's license, to require a licensee to notify the Department of a residential address change, but does not require the licensee to provide two forms of proof of address as required by subrule 601.5(3). This change aligns with current Department practice of not requiring two forms of proof of address when a licensee is issued a duplicate license and reduces the chance that a licensee will be turned away for not having the necessary documentation to be issued a duplicate license.

The proposed amendments do not transfer existing subrule 600.4(9) to new rule 761—605.4(252J,321), but instead eliminate this subrule entirely. Subrule 600.4(9) prohibits the Department from issuing a driver's license to a person who is named on a certificate of noncompliance issued by the College Student Aid Commission for failure to satisfy student debt. 2019 Iowa Acts, Senate File 304, section 3 (Senate File 304), which will become effective July 1, 2019, eliminated the College Student Aid Commission's authority to issue a certificate of noncompliance and trigger a license suspension for failure to satisfy student debt by repealing Iowa Code sections 261.121 through 261.127. It did not make sense to transfer and perpetuate a subrule that will no longer be authorized beginning July 1, 2019, so subrule 600.4(9) was not included in the reorganization. The Department will make necessary changes in other chapters needed to implement Senate File 304 in a subsequent rule making when Senate File 304 becomes effective. The College Student Aid Commission has not exercised the option to trigger a license suspension for failure to satisfy student debt since 2012.

The proposed amendments make other modifications in Chapters 600 and 605 to correct an office name, telephone number, and Iowa Code and rule citations.

The proposed amendments also make conforming rule citation changes in Chapters 602, 604 and 607.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

Any interested person may submit written comments concerning this proposed rule making or may submit a written request to make an oral presentation at a public hearing. Written comments or requests to present oral comments in response to this rule making must be received by the Department no later than 4:30 p.m. on June 25, 2019.

DISCUSSION/BACKGROUND:

The city of Waterloo submitted a RISE Immediate Opportunity application requesting a grant to assist in roadway improvements to Newell Street, including a left-turn lane, located on the northeast side of town. This project is anticipated to be completed by June 2020.
