8. August Commission Tour Benchmark Assessment and Preview 5 min.  
Shawn Majors  
Program Management
  - **Purpose:** Provide an assessment of benchmarks used to determine if an in-person Commission tour and public input meeting should occur in August. Provide an overview of the draft tour itinerary should the tour proceed in-person.
  - **Requested Action:** Provide input and comments during the workshop.
9. Corridor Preservation Zone Recommendation 5 min.
  - I-380 from North Liberty to Cedar Rapids
  - I-80 around the US 6/169 interchangeGary Harris  
Location and Environment  
Bureau
  - **Purpose:** At the March 9 workshop, a recommendation was presented to establish two new corridor preservation zones as described above. Initial written notice to affected jurisdictions and property owners was mailed out and a 60-day comment period was provided. There were no significant concerns with the establishment of the zones but there were questions about the process. Based on the feedback provided, some process improvements will be implemented. The summary of comments was discussed at the June workshop along with a recommendation to approve the creation of the zones. This item is included in the workshop in case there are remaining questions or comments prior to Commission action at the afternoon business meeting.
  - **Requested Action:** Be prepared to ask any remaining questions as action will be requested at the business meeting.

10. Transfer of Jurisdiction: Segments of US 61 to Des Moines County and Mediapolis 5 min.  
Mitchell Dillavou, Director  
Field Operations Division
- **Purpose:** With construction beginning soon on a US 61 bypass of Mediapolis, an agreement has been reached to transfer the bypassed portions of US 61 to Des Moines County and the city of Mediapolis. The terms of the agreement will be presented for Commission input prior to seeking action at the afternoon business meeting.
  - **Requested Action:** Provide input and comments during the workshop as action will be requested at the afternoon business meeting.
11. RISE Settlement Discussion 10 min.  
Craig Markley, Director  
Systems Planning Bureau
- **Purpose:** A city of Ames RISE Immediate Opportunity project in the ISU Research Park was awarded in April 2014. The award was contingent on the creation of jobs at Workiva and the job creation contingency was not fully met. Therefore, we will provide an overview of a proposed settlement for this RISE project that incorporates the latest RISE policy changes for research park projects. Action will be requested at the August meeting based on feedback provided.
  - **Requested Action:** Provide input and comments during the workshop.
12. Highway-Railroad Crossing Safety Program Amendment 5 min.  
Kris Klop  
Modal Transportation Bureau – Rail Section
- **Purpose:** An amendment to increase awards for two previously awarded highway-railroad crossing safety program projects will be presented. This amendment is necessary to fully fund the necessary improvements required for these unique projects. This recommendation is being presented for information this month and action will be requested at the August business meeting.
  - **Requested Action:** Provide input and comments during the workshop.
