Title Revitalize Iowa's Sound Economy (RISE) Application – Fort Dodge

DISCUSSION/BACKGROUND:

The city of Fort Dodge submitted a RISE Immediate Opportunity application requesting a grant to assist in the construction of a right turn lane on 5th Avenue South located on the southeast side of town. This project is anticipated to be completed by June 2025.

This project is necessary to provide improved access to the expanded site of Nestle Purina PetCare Company, a pet nutrition company that provides a range of pet food, snacks and cat litter products. This company conforms to the legislative requirements of the RISE program.

The improvement will support:

- A commitment to create 29 new full-time jobs out of an anticipated 50 RISE eligible jobs created.
- \$175,086,113 in associated capital investment.

The RISE cost per job assisted will be \$11,878 and there will be a total capital investment of \$508.31 for each RISE dollar requested.

PROPOSAL/ACTION RECOMMENDATION:

It is recommended the Commission, based on the capital investment and job creation commitments, award a RISE grant of \$344,450 or up to 80 percent of the total RISE-eligible project cost, whichever is less, from the city share of the RISE Fund.
