

# IOWA TRANSPORTATION COMMISSION

## Workshop Overview

November 9, 2021  
Iowa DOT – Materials Conference Room

(Two hours and 10 minutes)  
Begin at 9:30 am

- |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                     |         |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|---------|
| 1. | Commission Input                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Commission                                          | 10 min. |
|    | <ul style="list-style-type: none"> <li>• <b>Purpose:</b> Commission discussion of items.</li> <li>• <b>Requested Action:</b> N/A</li> </ul>                                                                                                                                                                                                                                                                                                                                                                |                                                     |         |
| 2. | Director's Welcome                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Scott Marler                                        | 10 min. |
|    | <ul style="list-style-type: none"> <li>• <b>Purpose:</b> Director update of activities at the DOT.</li> <li>• <b>Requested Action:</b> N/A</li> </ul>                                                                                                                                                                                                                                                                                                                                                      |                                                     |         |
| 3. | Fatality Reduction Task Force Update                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Scott Marler                                        | 30 min. |
|    | <p style="margin-left: 40px;">Brett Tjepkes, Bureau Chief<br/>Governor's Traffic Safety<br/>Bureau</p> <p style="margin-left: 40px;">Captain Troy Bailey<br/>Iowa State Patrol</p>                                                                                                                                                                                                                                                                                                                         |                                                     |         |
|    | <ul style="list-style-type: none"> <li>• <b>Purpose:</b> Iowa's multi-discipline Fatality Reduction Task Force was created earlier this year to implement educational, enforcement, and legislative initiatives to help Iowa achieve the target of less than 300 traffic fatalities annually, with the ultimate goal of zero fatalities. Members of the task force will provide the Commission with an update on their activities.</li> <li>• <b>Requested Action:</b> N/A</li> </ul>                      |                                                     |         |
| 4. | Administrative Rules                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                     | 10 min. |
|    | <ul style="list-style-type: none"> <li>- Chapter 301 – Driver's Privacy Protection Act</li> <li>- Chapter 4 – Public Records and Fair Information Practices</li> <li>- Chapter 415 – Driver's Privacy Protection – Certificates of Title and Vehicle Registration</li> <li>- Chapter 610 – Release of Computerized Driver's License and Nonoperator's Identification Card Records</li> <li>- Chapter 611 – Driver's Privacy Protection – Driver's License and Nonoperator's Identification Card</li> </ul> |                                                     |         |
|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Melissa Gillett, Director<br>Motor Vehicle Division |         |

- Chapter 511 – Special Permits for Operation and Movement of Vehicles and Loads of Excess Size and Weight
  - Chapter 601 – Application for License
  - Chapter 604 – License Examination
  - Chapter 634 – Driver Education
  - **Purpose:** Provide an overview of proposed rule amendments. The proposed rule amendments and notices of intended action were previously emailed to the Commission.
  - **Requested Action:** Review the proposed rule changes prior to the workshop as action will be requested on these rules at the business meeting.
5. COVID-19 Transportation Funding Impact Update 10 min.  
Stu Anderson, Director  
Transportation Development Division
- **Purpose:** Provide a status report on COVID-19 transportation impacts and federal funding relief.
  - **Requested Action:** N/A
6. 2022 Highway Program Balance Report 5 min.  
Matt Chambers  
Program Management
- **Purpose:** Present the latest FY 2022 monthly highway program balance report. We began FY 2022 over-programmed by \$24.3 million. Through September, receipts to the Primary Road Fund have come in \$13.2 million above forecast. Through the October letting, project costs are \$11.3 million above programmed amounts. When all combined, the current highway program balance is \$22.4 million over-programmed.
  - **Requested Action:** N/A
7. RISE Projects 10 min.  
- Cumming Immediate Opportunity  
- Mount Pleasant Local Development  
- Ottumwa Project Settlement  
Craig Markley, Director  
Systems Planning Bureau
- **Purpose:** Provide an overview of two RISE projects and one RISE project settlement. The RISE material is available on the Commission material website for your review. If you have any questions that you would like responses prior to the workshop, please contact Craig Markley at 515-239-1027 or at [craig.markley@iowadot.us](mailto:craig.markley@iowadot.us) by Thursday, November 4, at 5:00 pm.
  - **Requested Action:** Review the project summary material prior to the workshop as action on the RISE grant will be requested at the business meeting.

8. FY 2023 Traffic Safety Improvement Program Recommendations 15 min.  
Jan Laaser-Webb  
Traffic and Safety Bureau
- **Purpose:** Provide an overview of recommendations for funding for the FY 2023 Traffic Safety Improvement Program. This material is being presented for information this month and action will be requested at the December business meeting.
  - **Requested Action:** Provide input and comments during the workshop.
9. Calendar Year 2022 Intercity Bus Grant Program 10 min.  
Rebecca Law  
Modal Transportation Bureau
- **Purpose:** Provide an overview of recommendations for funding for the Intercity Bus Program. This material is being presented for information this month and action will be requested at the December business meeting.
  - **Requested Action:** Provide input and comments during the workshop.
10. Five-Year Program – Asset Management (Bridge) 20 min.  
Scott Neubauer, Bridge Maint.  
Engineer  
Bridges and Structures Bureau
- **Purpose:** This item begins the 2023-2027 Transportation Improvement Program discussion which is initially focused on asset management activities. This month's presentation is focused on the department's asset management efforts related to bridges.
  - **Requested Action:** N/A
