DRIVER'S MANUAL

 Iowa Department
of Transportation

2010-2011

Also available electronically at
www.iowadot.gov/mvd/ods/dlmanual.htm

Terry E. Branstad
Governor of Iowa

Important message to drivers

Iowa lies at the crossroads of America. With Interstates 35 and 80 intersecting through the heart of Iowa, state and county roads crisscrossing our countryside, and a vast network of city streets, it will take diligence from each and every driver to ensure the safety of all drivers and passengers on Iowa's roadways.

This driver's manual contains important information for all of Iowa's drivers. We will need all Iowa drivers to maintain concentration on the road and avoid all in-vehicle distractions to protect each other from roadway accidents.

Obeying the law is the first step to maintaining safety. Respecting the speed limit and obeying traffic signals and other signs is critically important. A new commitment to safe driving and instructions on how to navigate in hazardous conditions will guarantee that your driving experience in Iowa will be enjoyable and pleasant.

This manual will provide you the information needed for a general understanding of the principles of safe and lawful operation of a motor vehicle. However, it is NOT intended to serve as a precise statement of Iowa statutes concerning the operation of a motor vehicle and should not be considered as such.

For further information, check the Code of Iowa, Chapters 321 through 321J, and the Iowa Department of Transportation rules contained in the Iowa Administrative Code.

New Residents

If you just moved into Iowa, you will be considered an Iowa resident for the purposes of driver's licensing and vehicle registration if any one of the following apply:

1. You have registered to vote in this state;
2. You have enrolled your children in public school;
3. You have accepted a permanent job in the state; or
4. You have resided continuously in Iowa for 30 days.

If you have a valid out-of-state license, follow these steps to receive your Iowa license.

1. Go to a driver's license station.
2. Provide necessary documentation (see pages 5 and 6).
3. Take required tests and turn in your out-of-state license to DOT. If your out-of-state license is valid, you may not have to take a knowledge or road test.
4. Meet Iowa title, registration and use tax requirements on your vehicle. Consult your local county treasurer's office.

Be sure to read this manual carefully. Not only will it provide the information to pass the driver examination, but it will also broaden your knowledge of safe driving practices.

Driver's License Permanent Examining and Records Stations

For specific hours of operation, call the driver's license station
or the Motor vehicle Information Center at 800-532-1121.

Ames 515-296-2393	3708 Lincoln Way Open: Tuesday, Wednesday, Thursday, Friday, Saturday.

Revised January 2011
Form 430009

Federal and state laws prohibit employment and/or public accommodation discrimination on the basis of age, color, creed, disability, gender identity, national origin, pregnancy, race, religion, sex, sexual orientation or veteran's status. If you believe you have been discriminated against, please contact the Iowa Civil Rights Commission at 800-457-4416 or Iowa Department of Transportation's affirmative action officer. If you need accommodations because of a disability to access the Iowa Department of Transportation's services, contact the agency's affirmative action officer at 800-262-0003.

Central Issuance

Securing your personal identity

WHAT YOU NEED TO KNOW

- Issuance of driver's license (DL) and identification (ID) cards has changed from an "over-the-counter" issuance system to a "central issuance" system.
- A customer will leave the driver's license station with his or her existing DL or ID card and a temporary document good for 30 days. If an individual does not have an existing DL or ID card, he or she will leave with only the temporary document.
- The actual DL or ID card featuring a new look (see above) will be mailed in an unmarked envelope to the applicant and arrive before the temporary document expires, typically within two weeks.
- If it has been more than 21 days and you have not received your new DL/ID card, you should contact the Office of Driver Services at the toll free number listed on your temporary document.
- Central issuance only affects the way DL and ID cards are manufactured. It does not affect the application process or any requirements for obtaining a DL or ID card, such as proof of age and identity or required testing. **There is no increased cost to customers.**
- The new central issuance system will reduce driver's license fraud and identity theft. It will also help enhance overall safety by providing time to allow for security checks before the final DL or ID card is issued. It protects the process and materials used to make DL and ID cards from being stolen or accessed by persons not authorized to produce a DL or ID card.

For more information, visit iowadot.gov/centralissuance.
