YOUR 2011 BENEFITS ... AT A GLANCE

AFSCME–covered, UE/IUP–covered, Judicial Branch, and Non-Contract (Non-Judicial) employees

Introduction

The State of Iowa's commitment to its employees is demonstrated by the compensation and benefits package negotiated on your behalf by the State of Iowa. In addition to your direct compensation as a State of Iowa employee, a significant amount is spent on the benefit plans available to you and your family.

This document provides highlights of the State of Iowa benefits. Because it is only a summary, it cannot be considered a legal document. More detailed information about the State's employee benefits can be found at two Department of Administrative Services – Human Resources Enterprise's websites, Benefits (<http://benefits.iowa.gov>) and Retirement Investor's Club (RIC) (<http://ric.iowa.gov>), and at the Iowa Public Employees Retirement System (IPERS) (<http://www.ipers.org>) website.

General Information

Eligible Family Members

Eligible family members for health and dental insurance coverage are:

- Your spouse (A husband or wife as the result of a marriage that is legally recognized in Iowa. This does not include a spouse from whom you are legally separated or divorced.)
- Your domestic partner (opposite sex or same sex)
- Your children through the end of the calendar year in which they turn age 26
- Your unmarried children over the age of 26 who are full-time students
- Your unmarried children who are totally and permanently disabled prior to age 27

Annual Enrollment and Change Period

Employees have an annual enrollment and change period in the fall to make benefit elections for the upcoming year.

During the enrollment and change period you can:

- Enroll in health insurance.
- Change your health insurance plan.
- Enroll in dental insurance (if there is a dental open enrollment).
- Add eligible family members or remove family members from your health and/or dental insurance plans.
- Apply to increase or decrease the amount of supplemental life insurance.
- Enroll or reenroll in the flexible spending account program.
- Change your pre-tax premium conversion selection.

Life Events

When you enroll in health insurance, dental insurance, life insurance and/or the flexible spending accounts, your benefit elections remain in effect to the end of the calendar year. You cannot make any changes until the next enrollment and change period unless you experience a qualified life event and the benefit change you request is consistent with the event.

To change coverage as a result of a qualifying life event, you must act within 30 days of the event (60 days in the case of birth, adoption, or loss of or eligibility for Medicaid, hawk-I, or SCHIP.)
