

US 18 Bridge Replacement

BRF-018-7(67)--38-19

February 4 – February 28, 2022

US 18 Bridge Replacement in Chickasaw County

PROJECT LOCATION

Project Location

- East of Bassett
- Just west of V14
- Traffic will be detoured using T76, B57 and V14 as shown in blue

A circular icon with a white arrow pointing clockwise, set against a dark red background.

PROJECT BACKGROUND

- Replace current 62' long by 36' wide bridge with 120' long by 44' wide bridge
 - Increased width and length for safety and drainage improvements
- Two 12-foot driving lanes and two 10-foot shoulders are proposed
- New bridge approaches
- New guardrail
- Right of way is not anticipated

PROJECT SCHEDULE & COST

- Construction starts in the Spring of 2024 through the end of 2024
- The cost is estimated at \$1.3 Million

MEETING PURPOSE

The icon is a white circular arrow with a stylized 'G' shape inside, set against a teal background.
