Kalona Cooperative Technology Company, 514 B Avenue, Kalona

The Iowa Department of Transportation will hold a public information meeting Tuesday, June 26, to discuss the proposed improvements to Iowa 1 in Johnson County, and to discuss right of way needs for the improvements. The proposed improvements include the replacement of Iowa 1 structures over the following locations:

- Old Woman's Creek,
- Old Man's Creek,
- A small natural stream, 2.1 miles south of Johnson County Road F-52,
- A stream 0.6 miles north of Johnson County Road F-52, and
- Old Man's Creek Overflow, 0.8 miles south of Johnson County Road F-52.

Construction of the projects will be coordinated and staged to allow access to properties at all times. Some stages will require detouring through traffic out of the project corridor. When needed, through traffic on Iowa 1 will be detoured using U.S. 218 and Iowa 22.

All interested persons are invited to attend this meeting. The meeting will be conducted utilizing an open forum format. Iowa DOT staff will be present to informally discuss the proposed improvements. No formal presentation will be made.

The meeting space is accessible for persons with disabilities. However, if you require special accommodations at the meeting, please notify the Iowa DOT contact listed to the left by June 22.
