The Iowa Department of Transportation is requesting public input for proposed improvements on U.S. 20 from the U.S. 75/Iowa 12 Interchange in Sioux City to Little Whiskey Creek.

The proposed project involves grading and replacing pavement on U.S. 20 in the eastbound and westbound lanes. Construction of the project is expected to begin in 2023.

Through traffic on U.S. 20 would be maintained at all times.

Visit the Iowa DOT's project-related public involvement event website at www.iowadot.gov/pim for information about scheduled public meetings and hearings, or view and offer input on any DOT project using the new "Map Search" feature. Comments and questions regarding the online meeting should be received by October 7, 2021. If you would like to receive future email notifications, or submit a comment or question regarding this project, go to: <http://bit.ly/iowadot4392>.
