## PUBLIC INFORMATION MEETING

**Tuesday, Sept. 26, 2017, 5 to 6:30 p.m.**

Center Point-Urbana Intermediate School, 202 W. Main St., Urbana

The Iowa Department of Transportation will hold a public information meeting Tuesday, Sept. 26, to discuss potential safety improvements at the intersection of Iowa 150 with 31st Avenue and 55th Street in Benton County. Two options were developed for consideration using public input received during the November 2016 public meeting. The first option includes a four-leg intersection with stop control at the north and south approaches. The second option includes a roundabout where Iowa 150, 31st Avenue, and 55th Street intersect. Both options include the removal of the curve at Iowa 150.

All interested persons are invited to attend this meeting anytime between 5 and 6:30 p.m. The meeting will be conducted utilizing an open forum format. Iowa DOT staff will be present to informally discuss the proposed improvements. No formal presentation will be made.

The meeting space is accessible for persons with disabilities. However, if you require special accommodations at the meeting, please notify the Iowa DOT contact listed to the left by Sept. 22.
