

# U.S. 30 Median Closure Boone Co.

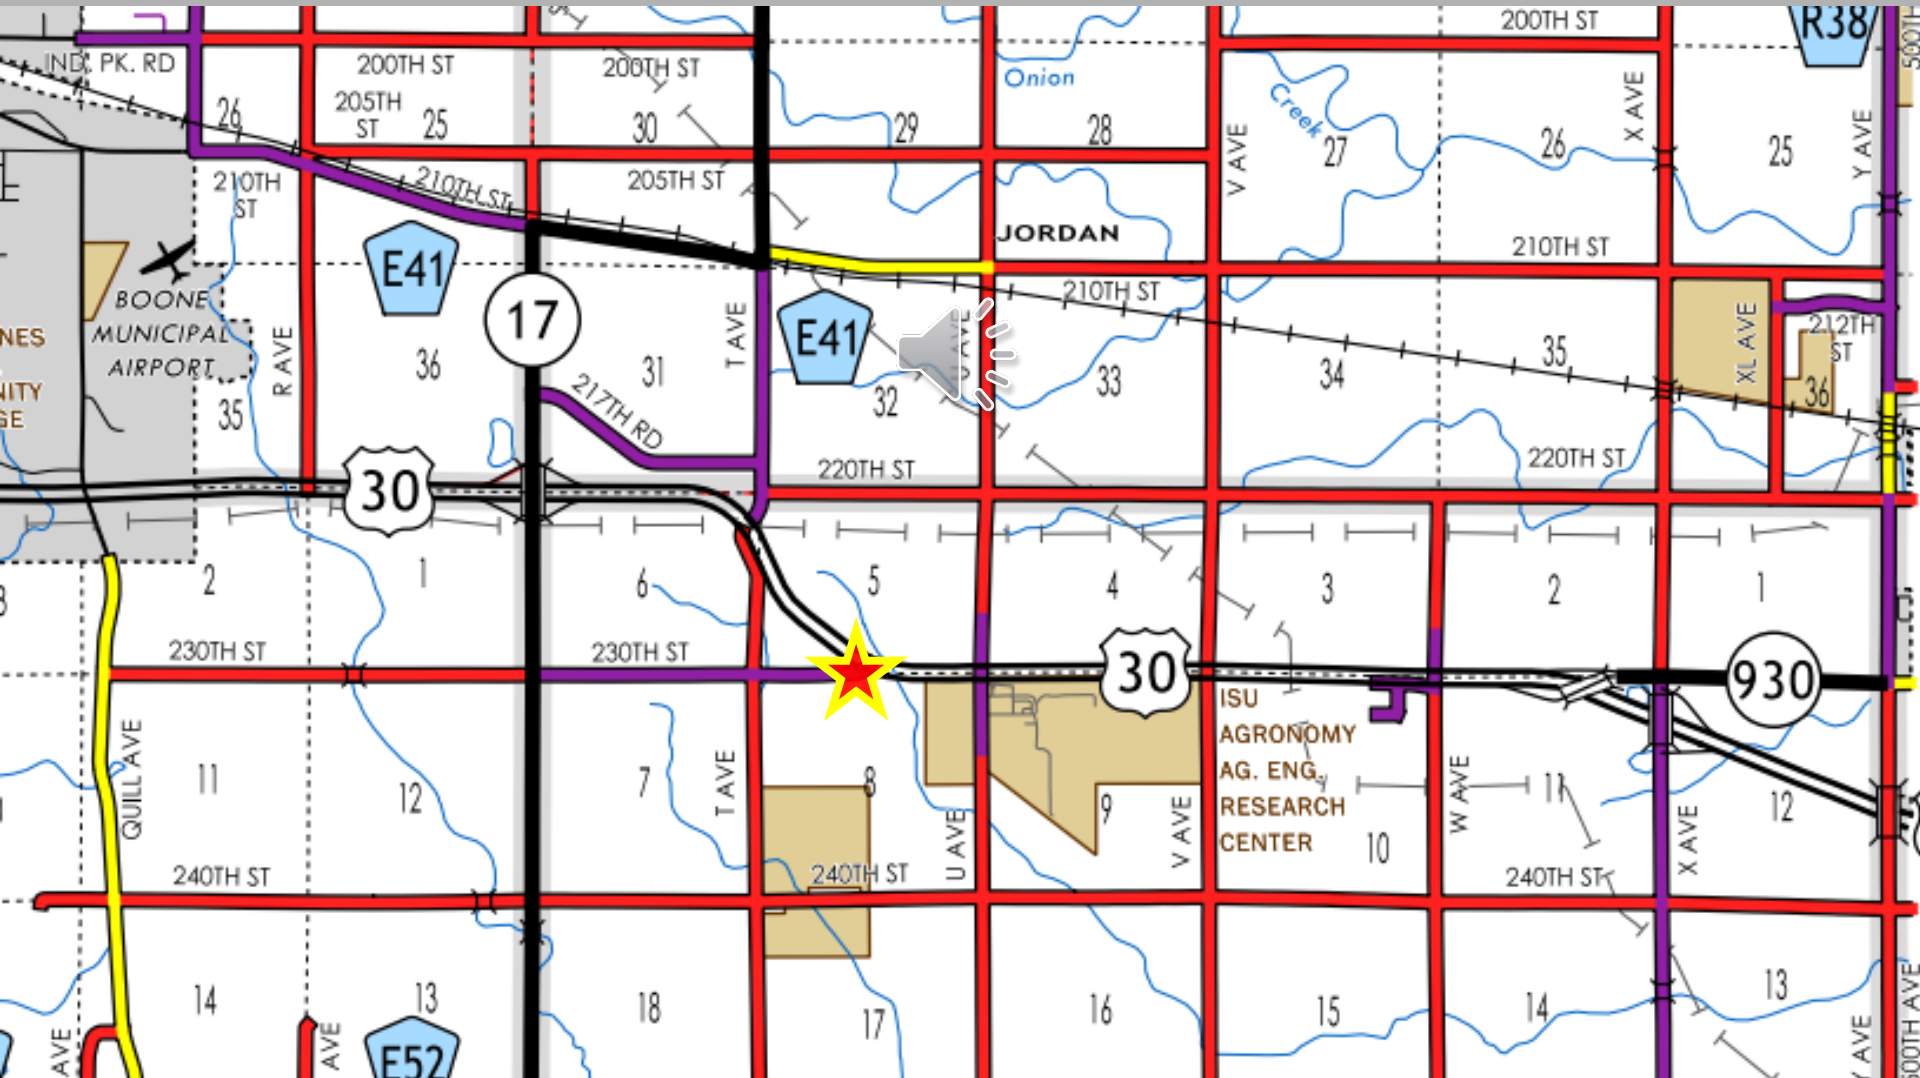

Project Number HSIPX-030-4(110)--3L-08

Meeting date April 13<sup>th</sup> , 2023

U.S. 30 Intersection Modification at US 30 and 230th St in Boone County

# ★ PROJECT LOCATION

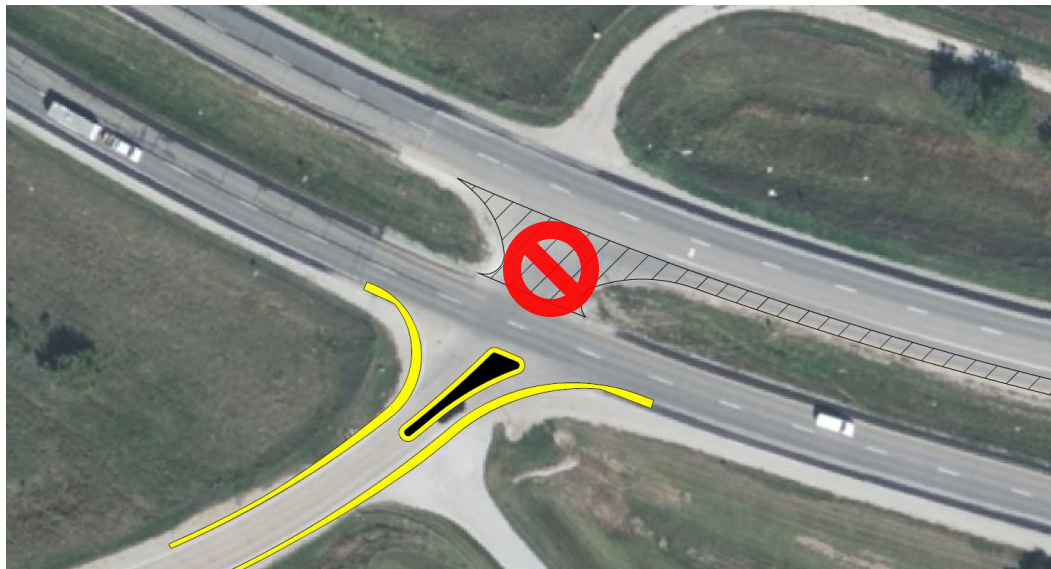

# PROJECT PURPOSE

The purpose of the project is to improve safety along U.S. 30 and specifically at the 230<sup>th</sup> St. intersection. This will be completed by removing the U.S. 30 median crossing.

# PROJECT BACKGROUND

- U.S. 30 Median Closure
  - Right In/Right Out operations
  - eastbound vehicles can make right turns to and from 230th Street. Westbound vehicles on U.S. 30 will be required to proceed to the Iowa 17 interchange and use the local road system to access the area.
  - Westbound vehicles needing access to the access north of the 230<sup>th</sup> St intersection can make right turns into and out of the private drive. To access eastbound U.S. 30 from the private drive motorists will need to proceed to the Iowa 17 interchange.

PROJECT SCHEDULE & COST

- July 2023 letting
  - Fall 2023 or spring 2024 construction
- Safety project estimated at \$133,000
